		Jim Wilkinson- 23/6 41 yrs

Coming Events

June 22 nd	Combined Board Meeting- Neil Hamilton's Office
June 29 th	Changeover Dinner- Lighthouse Inn
August 6 th	Black Tie Ball

President Neil: Welcomed Club guests Amy Wittber and Sam French who both attended a RYPEN camp in the past and acted as RYPEN facilitators at the RYPEN Camp held in May 2011. Also Noel Hinton who along with brother Damien attended the RYPEN Camp as a participant. Neil also thanked Peter Hill for his sterling effort in organising the successful car rally on Sunday, June 11th and noted that he only had 1^{1/2} meetings left before handing the reins over to Glenys.

Pres elect Glenys responded to Pres Neil's remarks about the sands of time running out on his term by reporting that her recent visit to Europe including Paris was most enjoyable and hinting that it might not take much to encourage her to do a last minute, aka Cindarella moonlight flit overseas. So members please be especially nice to Glenys between now and changeover. Glenys called for those in business to place an ad in the about to be published Members Directory. Quick as a flash Murray Harris nominated Bunbury Tyre power; a decision that hopefully Murray will run past the Harris sons who run the store. If you too would like your business recognised in the Directory let Glenys know ASAP as the printing press like time and tide will not wait much longer.

The ever cheerful Peter Hill, car rally enthusiast and active Club member reported on the car rally held on Sunday 12th June which finished at the Harvey Weir. 12 carloads participated with Turk and Sue the overall winners and Len and Telma Andel taking out the handicap section. It was clear some intensive coaching in car rallying is needed before the next event as Ray Philp travelled almost double the distance of everybody else and some very derogatory comments about the rally organiser were made on the answer sheets. Well done Peter, a shame you had such an undisciplined group to work with.

Black Tie Ball: Mike Honeybell reminded us that this is the Club's major fund raising event for the year which it is hoped will raise \$25,000. This coming week, tickets will be available for sale, ie 21 tables of ten @ \$150 a head. A 5 course, top class full meal and entertainment will be provided. Suggested you start organising your tables now as more people will probably want to attend than can be accommodated.

Mike said the deal is that the chef's require the Club to obtain the following fresh produce so he would like anyone with contacts to help in obtaining the following items at a donated or favourable price.

Meat: 44kg- beef eye fillet MSA graded. 20kg beef chuck bones. 45 lamb racks, 6 point fully frenched.

Seafood: 14 kg scallops

Chicken: 120 free range chicken breasts (220-240gm size).

Some members have already indicated they may be able to help with some of these items so please check with Mike on 0407 445 215 on progress with these approaches before contacting a potential provider.

RYPEN: Rotary Youth Program of Enrichment.

From L to R, Amy Wittber (Facilitator), Noel Hinton (attendee), Sam French (Facilitator) and District RYPEN Chairman our own Kevin Eagles.

Amy and Sam who had attended a past RYPEN weekend acted as facilitators or team leaders at the last RYPEN weekend in May. Both spoke with great enthusiasm about their involvement with RYPEN on two occasions and the difference it has made to their lives by helping crystallise what they wanted to do in life and the insights they gained. Noel Hinton was

equally full of praise for the weekend experience, the friends he made and the social skills he learnt. All three mentioned their respect for Rotary as an organisation and the things Rotarians get involved with. By any measure RYPEN must be one of Rotary's very successful programs in that it passes on to the next generation enduring values and skills that young people can use on their life journey. A challenge for Rotary would be to promote the same technique to be available for the thousands of young people in the community before so many of them run off the rails

A few photo's taken on my recent visit to the Goldfields and the Pilbara. What marvellous landscapes. The snappy gum set against a background of iron stained ranges is the essence of the Pilbara and the bronze barked salmon gum sapling from the Goldfields is just about good enough to eat.
