

THE BULLY

Number 06: August 6th 2014

ROTARY CLUB of SOUTH BUNBURY (INC)

August is Membership and Extension Month.

Celebrate your Rotary club, your fellow members, and the good you do in your community and around the world.

Rotary members have:

Pushed polio to the brink of eradication

Delivered clean water to those in need

Improved their local communities

Provided scholarships to the next generation of peacemakers

And continue to do good in the world.

"Start a conversation" was the exhortation made by David Miles, speak to others about Rotary and its work.

The meeting held on 6th August was a productive event. At the one meeting Pres Jim Stephen efficiently combined both the Weekly meeting and the Committee meetings.

Committees were allocated a table each and conducted their business during the first part of the meeting and reported back to the rest of the members in the latter part of the evening.

The format will continue throughout the year and is sure to deliver effective committees.

John Germ selected as 2016-17 Rotary president.

John F. Germ, a member of the Rotary Club of Chattanooga, Tennessee, USA, and chair of the International PolioPlus Committee, is the selection of the Nominating Committee for President of RI in 2016-17. He will become the president-nominee on 1 October if there are no challenging candidates.

For Rotary to thrive, Germ says, members must face current and future challenges and opportunities with "passion, enthusiasm, perseverance, and above all, integrity."

International Committee—living the dream.

Clive Pearson reported that his committee meeting was completed early as two thirds of his committee are overseas, gathering intelligence no doubt.

Please inform Clive of your interest in joining in the "Jim's Odyssey" tour in June 2015.

Foundation Committee

Remember to nominate for the Malcolm Robbie award. The award is not made every year but only when a deserving recipient is identified, finding worthy recipients is the task of members of the club.

This year Foundation will be looking at ways to help the Australian Doctors for Africa obtain equipment for Madagascar through a Global Grant.

National Hat Day will be held on Friday 10th October 2014.

Hat Day is an initiative of Australian Rotary Health, the largest non-governmental funder of mental illness research in Australia. 100% of the funds raised go to research into helping those suffering from depression, anxiety, schizophrenia and many other mental illnesses. An important and exciting new initiative this year is prevention of mental illness.

More information at: www.hatday.com.au

Speakers and topics for the remainder of August.

13th August: Support after bereavement by suicide. StandBy Critical Postvention response coordinator. *Wendy French.*

20th August: Bunbury Community Radio. *Graham Harvey* ex Rotarian of South Bunbury and Boulder.

27th August: New Developments in Polio Eradication. *Libby Hopkins* of Rotary Club of Collie.

Rotary Club of South Bunbury workers put in 60 hours of work on Bunbury Men's Shed in the past week.

Next week there will be further news on progress made and photos of the current state of the construction.
