AUGUST IS MEMBERSHIP MONTH

President Jim announced that the Board had considered holding one Club meeting a month in the morning as a breakfast meeting. A suitable venue must still be determined. Members will be kept informed of developments as arrangements progress.

Bunbury Community Radio

Graham Harvey addressed members on the progress made in bringing community radio to Bunbury, of the benefits to the community and the opportunities that it offers. Bunbury Radio may be on air by early 2015 if all goes well. The City of Bunbury has provided funding and other support but there is a need for additional funding.

A license application is before ACMA, the process of applying took 8 months of hard work.

END POLIO NOW

Our guest speaker next week will be giving us an update on the progress being made in the battle to eliminate the scourge of polio.

Membership Director Rod has pledged a **FREE meal** for all guests at the meeting.

Friends, neighbors or colleagues who may be interested in Rotary's work and would like to hear about the work done through The Rotary Foundation are welcome to attend and benefit from this special offer.

DIARY ENTRIES

30th August

60th Anniversary of Rotary Club of Collie—see the flyer at the end of the Bully.

1st September

District Governor Brian Eddy will be visiting Bunbury.

All three Bunbury Clubs will be attending the Parade Hotel for their weekly meeting. No meet on 3/9/14 at Rose.

8th October

Club Vocational Visit to Harry Perkins Institute of Medical Research

10th October

Hat Day: Australian Rotary Health.

2 MINUTE TALK

Don Spriggins entertained us with anecdotes from his early days growing up in rural Victoria. He took us back to the days when rabbits were a plague and when rabbit hunting was a sport. In his early training for a career in forestry Don spent time in boot camp. Don recalls fond memories of mornings spent soaking up knowledge at lectures and afternoons spent in practical activities such as felling trees, building bridges and other healthy outdoor pursuits.

There are still six remaining members of his class and they still meet annually in Melbourne, they remain very close friends and are able to take up conversations at each reunion where they left off the previous year. Even the unpleasant tasks of getting up early to stoke up the furnace, cleaning toilets and showers are now happy memories.

Paul P. Harris,
Founder of Rotary
23 February 1905

Paul P. Harris' August 1912 message to Rotarians:

"Rotarianism is a step in the evolution of humanity and in the emancipation of man from the exactions of unceasing servitude to the interests of self."

He goes on to write: "Don't fail to inventory your smiles. They are great assets, and stand in the same relation to success that frowns do to failure."

Acquaintance, the Foundation of Success.

WHERE ARE THEY?

PETER HILL

Peter and Nancy Hill are still on the road. They first travelled up from Bunbury to Broome, camping at Warroora Station, progressed on through the Pibara and Millstream National Park. They left Broome for Queensland to attend a family function. A cross country dash of 3500 km in 5 days was too slow to get to Peter's brother's 60th in Rockhampton. He did get to see all the family in Longreach QLD and the travelled on through Mt Isa, Lawn Hill National Park, Boorooloola, King Ash Bay, Katherine in on to Darwin. Then on to Mango Farm at Daly River, Douglas Daly Hot Springs, Kununurra via Timber Creek and a cruise on the Victoria River. From there to Wolfe Creek Meteorite Crater and back to Broome.

They will be back home soon—for a rest no doubt.

WHERE ARE THEY?

JIM HILL

Jim Hill wrote to say that he and Jill arrived safe in Penrith after a fantastic cross country trip.

Jim used more fuel than expected because he left the trailer handbrake on for the first 300 km.

A wild storm swept in as they arrived at the 12 Apostles and Jim was barely able to see to the end of the bonnet, he collected a small fence post with the right trailer mudguard. Later the same day he forgot about the trailer and caught the left mudguard when turning in to a farmstay at Otway Ranges. Next day he lost his UHF aerial on a dirt track looking for Koala's.

Jill and Jim completed over 6000 km getting to Penrith.

Jim has started work as an electrical contractor and offers business consulting. Jill has been preparing their new premises and the girls are back at school and uni.

Jim said he really enjoyed his time in Bunbury and appreciate the way he and Jill were embraced by the community. He reads the Bully to keep in touch and invites members who venture over to the east to look him and Jill up.
