It was a sight for madhatters last Wednesday with many members wearing their finest headgear.

It was Ray Philp's idea; Ray told us the hat day is an Australia wide Rotary event designed to draw attention to the needs of the mentally ill and to raise funds for research.

Later on prizes were awarded by Ray for best hats on display. **Winners:** Best female hats; **Glenys McDonald** and **Lorraine Connop** Best male hat- **Terry Coote**. Well done Ray for bringing this to the Club. Next year will be bigger and better.

Directors Reports:

Vocational Director Sandro presented his committees program for the Rotary year re vocational visits. Six are proposed and will be catered for close to the site using the "Harris Improved" mobile BBQ or some other catering arrangement. List is on the "Calendar of Events" on Club Runner and can be read there but the next two are.

Date	Where	Meet time at venue	Catering	Cost per head
Wed 23 Oct	Piacentini	5:30 pm	BBQ	\$25
Wed 20 Nov	S and J Excavators	5:30pm	Will be with R/C of Bunbury members	Watch this space.

Guest Speaker Dr Shanton Chang's visit to the Club to speak on social media and its influence on young people was postponed but no problem, Anita De Wet stepped up to the plate to present her 2 minuter which covered her past life in South Africa and Zambia before arriving in Australia.

Times were tough and after school education finished Anita underwent a year's military service learning to shoot, repair vehicles and learning plenty of practical skills. She was successful in obtaining a grant to study at university concentrating on Psychology and Economics. When the family were farming in Zambia they employed 120 people to help grow baby vegetables for the export market as well as milk 120 cows per day. Now an experienced audiologist she works at a Bunbury practice.

Well done Anita who dressed for the occasion in an African style dress and displayed a large tablecloth of an African design. As Anita said, you can take the person out of Africa but not the Africa out of the person.
