

## MELBOURNE SUNRISE PROBUS CLUB

### Sand Sculpture “A day at the Zoo”

Do you like a visit to the Zoo? This is a zoo with a difference, it is sculptured in sand. The exhibition is the largest of its kind in the Southern Hemisphere, showcasing over 3,500 tonnes of sand transformed into life size sculptures. Twenty sculptors from around the globe have worked tirelessly for over 5,000 hours on this event to be the most amazing series of sand sculptures. Wander through the first ever sand zoo – you will marvel at the realism of the animals and even may see mythical animals and more.
