ACTIVE RETIREES – Fun and Friendship in Retirement

26 September 2025

Dear President Philipa,

On behalf of PSPL, I would like to extend our congratulations to the members of Melbourne Sunrise Probus Inc (C) on celebrating the Club's 15th Anniversary. This is a great milestone for your Club and is a true testament to the Probus values of Fun, Friendship and Fellowship.

It is widely accepted that when retirees are members of social groups, they are less likely to develop the mental health issues associated with isolation and loneliness. Probus helps retirees stay engaged and connected which is so important in today's world.

I have pleasure in enclosing your Club's anniversary certificate and suggest that you consider contacting either your sponsoring Rotary Club President, Probus District Chairman, Rotary District Probus Chairman or a PSPL representative to present the enclosed certificate.

Your Club should also consider sharing this important milestone with your local government representative. Regardless of their political affiliation, they value the important role that Probus provides in the community. Local politicians can assist in raising awareness of your Probus Club and may even contribute funding towards your Club's celebration.

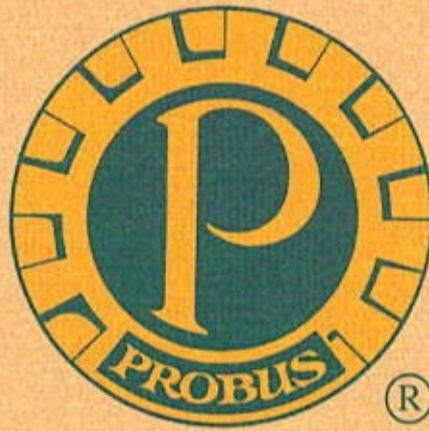

I hope that your Club has a great celebration and encourage you to share any photos of this milestone with us for inclusion in Probus publications. Photos are preferred by email in no more than 1mb in size with a short caption about your celebration. These can be sent to marketing@probussouthpacific.org

Please pass on my best wishes to your members.

Yours in Probus Friendship
