

Lincoln Park

Playground & Dog Park

The Lincoln Park Fundraising Campaign is a partnership between the City of Ashland and the Rotary Service Foundation to complete the Lincoln Park Dog Park and Playground. The campaign invites community members and local organizations to help create a welcoming, inclusive, recreational space for families and pet owners by combining public funding with private donations. This project reflects Ashland's strong spirit of collaboration and civic pride.

We are hoping to raise \$81,000 toward the cost of the project, with opportunities to make commemorative donations.

A list of needs can be found on the back of this page with a pledge form, please consider donating.
