Posted by Paul J Murray on Jun 25, 2013

President Phil called his first meeting to order and welcomed all members and guests. He wasn't certain if this meeting was the 52nd of last year or the first of this year. The Editor will recognise this meeting as the first official meeting of the year.

Phil proceeded to talk about the Change-over and what a great night it was. He reminded members that a Paul Harris Fellow was given to Mark Hillis. And a Paul Harris Sapphire Pin was given to John Gray and Paul Murray. He noted that our Secretary Paul Milde won the Rotarian Award for the Year for the second year running.

He recognised Kerry Pascoe and welcomed him back to the club after his recent illness. He called upon Membership Director Gerry Gerlach to ask the members to discuss our membership plan for the following year. See discussion below regarding the members comments.

The meeting closed with Craig Bromley winning the Door Prize.

**Sergeant's Session**

Posted by Paul J Murray on Jun 25, 2013

Sergeant Mark Sayer started out by announcing that he did not apply for this position and he did not know that he was assigned to this position and he has been trying to find out who to fine for assigning him to this position. So, he asked the board to stand up and he fined all of them except President Phil. He did not fine Phil because the Sargeant's job is to protect the President.

He was looking for a definition of "Sargeant of Arms" and since George Thomas was not available, he went to Google. Google says the job is to maintain order. He apologised for not being at the Change-over dinner and he showed everyone why.

He then removed his dark shirt by revealing his sporting gear and said he took his family to the football. Continuing with the Soccer theme, he told everyone to stand for heads or tails quiz. See all the photos below of members participating in the quiz. Rick Priest was the winner.

### Our Meeting

Posted by Paul J Murray on Jun 25, 2013

Michael Georgiou told a joke about a little boy asking his Dad where he came from. His Dad told him all about the birds and the bees. The little boy said he thought he came from Greece.

John Gray gave a report about last Friday night evening with Graeme Finney at the Riverine Club. Most of the people there knew him and alot of them were from Wollundry. He spent most of his time talking about his time in

Kabual with the NATO forces. He spoke with a great deal of respect for the American Generals. He touched on "green on blue" problems. John said, all in all, he is proud to know Graeme Finney and proud that he was a member of Wollundry.

Rick Priest reminded everyone that he has white dress shirts available.

John Smith spoke about the Aero Club going on a trip to Birdsville Races the first weekend of September. There will be probably be a few vacant seats available. The races are on Saturday afternoon and the plan would leave on Wednesday and come home on Monday. If anyone is interested, please contact John.

At the beginning of the meeting, Gerry Gerlach, being the Membership Director, asked members to discuss at their tables what the Club felt was the right number of members. At the end of the meeting, he came back to the podium and asked what members felt. He sounded out whether 70, 80, 90 or 100 was the right number for our Club.

Dick Smith spoke on behalf of his table and said that the concesus was 80 is a reasonable number and we can take new members if they come, but not actively recruit. The objective is to remain a tight-knit group where we all know each other.

Michael Georgiou supported Dick's number of 80.

Mark Hillis thought it was a good idea to maintain our relationship with APEX because people leaving APEX would naturally flow into Wollundry.

President Phil summarized the discussion by saying we had a slight changover last year

and the quality of the membership does attract new members. Also, the markets and the way the Club raises money attracts members, too. Phil thinks we should be on the look out for good new members. District is encouraging all Rotary clubs to seek new membership. Phil noted that it is important to encourage new members and engage them in reponsible positions in the Club.
