### **Jim Behnke**

#### **Jim Behnke**

**is the owner of Manitowoc Trophy.  
Mr. Behnke was instrumental in putting together the Dale Ten Haken memorial for Oostburg High School.**

**He spent many hours of his own time, including working on weekends and after hours to finish the project. Not only did Jim donate all his time, he also paid for much of the materials used to put the project together. When it came time to transport the memorial, Jim also volunteered his personal truck. The memorial is a wonderful remembrance of dale. The memorial would not have been possible without the help of Jim Behnke**
