

WHAT IS ROTARY?

Rotary is a global network of community volunteers who connect to make a difference.

Rotary club members are business, professional, and community leaders. We meet regularly to plan and implement community service activities, network, and enjoy friendship and camaraderie. Members can also become involved in international humanitarian service efforts. More than 1.2 million men and women in over 200 countries and geographical areas belong to over 33,000 Rotary clubs.

Rotary builds international understanding through scholarships, exchange programs, and humanitarian grants. Throughout the world, Rotary clubs participate in a broad range of educational, intercultural, and humanitarian activities designed to improve the lives of others.

WHY BE A MEMBER?

Belonging to a Rotary club provides you with an opportunity to make a contribution to your own community and to communities around the world.

Members join Rotary for many reasons, including community involvement, personal development, professional networking, and camaraderie. Perhaps the most important benefit is the satisfaction we gain from making a real difference in the world.

WE'RE HERE TO PROVIDE "SERVICE ABOVE SELF"

The Rotary Club of Nashoba Valley is a relatively new club that serves the towns of Bolton, Lancaster, and Stow, the same region served by the Nashoba Regional School District. To accommodate various schedules, we meet weekly at two different times in two different locations, based on the week of the month.

First, third, and fifth Thursdays:
7:15 AM to 8:30 AM

Emma's Café
Stow Shopping Center, 117 Great Road
Stow, MA 01775

Second and fourth Thursdays:
5:45 PM to 7:00 PM

Nancy's Airfield Café
302 Boxboro Road
Stow, MA 01775

Our meetings feature a variety of speakers with a broad range of interesting topics, including local history, career tips, community needs, and personal development. Our primary purpose is to give back to our community, both here and beyond. We also value camaraderie, meeting new people, and enjoying our time together.

You are invited to attend a meeting. Meet interesting people. Be inspired. Learn more. Share your ideas. We hope you can join us.

PolioPlus, Rotary's most ambitious program to date, focuses on global immunization efforts and has played a leadership role with the World Health Organization, CDC, and UNICEF in bringing the world to the brink of polio eradication. The Bill & Melinda Gates Foundation has contributed US\$355 million to Rotary to support PolioPlus activities, and we have been fortunate to have the support of the Nashoba Regional School District for Purple Pinkie Day.
