PARTICIPATION

Rotary is a participatory organization, and therefore, participation in Rotary activities is considered a vital part of the operation and success of a strong and active Rotary club.

The Rotary Club of Nashoba Valley expects its members to attend two meetings or activities per month. Attendance can include: attending a weekly meeting, either at our club or at another Rotary club anywhere in the world; participating in a club-sponsored community event or service project; planning or supporting a Rotary activity “behind the scenes;” attending a district or RI committee meeting or event; participating in a Rotary training event; or attending a Rotary social or fellowship event. Please contact the club’s Sergeant-at-Arms to have your attendance counted when you participate in an “attendance activity” other than our club meetings.
