

President Alan Kusunoki opened the meeting on the 335th day of the year. Dr. Rand Mundo lead us in the Pledge of Allegiance. Our talented President led us in singing *America the Beautiful*.

Rotarian Russ Oda spoke to the importance of a smile. Author unknown. *"It costs nothing, but creates much. It enriches those who receive, without impoverishing those who give. It happens in a flash and the memory of it sometimes last forever. None are so rich they can get along without it, and none so poor, but are richer for its benefits. It creates happiness, fosters good will in business, and is the countersign of friends. It is rest to the weary, daylight to the discouraged, sunshine to the sad, and is nature's best antidote for trouble. Yet it cannot be bought, begged, borrowed or stolen, for it is something that is no earthly good to anyone until it is given away."*

Our greeters were Alberta Dobbe and Mike Robinson.

Alberta introduced our guests as follows: the Rotary Club of Hilo Bay – Richard Cunningham and Anita Cunningham; the Rotary Club of South Hilo – Cathy Hashimoto. Past President Joe Hanley Jr.

introduced his son Joe Hanley III visiting from South Carolina. Glenn Harris is a welcome repeat guest. Theresa English will be sponsoring Glenn as a new member of our club.

President Alan thanked Jim Kennedy and Kerry Glass for the photos for last week's Lava Flow. The reporter thanks Judy Gibson cookie baker extraordinaire. The chocolate peanut butter cookies you brought to our meeting were superb.

Mike Robinson agreed to being our impromptu speaker, and talked about his experience, as a Pennsylvania boy who had volunteered for the Peace Corps. He headed to West Africa and Liberia in the 70's

where they spoke 23 languages and had many tribes and cultures. **Mike** went by bus to a remote location. He felt like he was in a Tarzan movie where they filed their teeth. Three weeks into his stay, there was a July 4th party and he went on a motorcycle ride to town. The town had four general stores basically just mud and stick houses. He walked into a house after dark. He saw a Baboon, and thought he saw it change its shape to a witch. **Mike** was told by locals that when the bat flew in and flew out three times, it

meant that a witch sent the bat to tell you not to worry? He described he felt as if he had a chicken skin experience. I can't even retell this strange story correctly. The message is "everything will be okay."

Both **Sally O'Brien** and **President Alan** both related to **Mike Robinson's** experience as they also were Peace Corps volunteers.

Sally O'Brien got up and briefly spoke. **Sally** grew up in South Dakota and in 1961, after 10 weeks training at San Francisco State University, she was sent to the Phillipines; **Sally** volunteered in Mindenau (which is the location of the very recent Typhoon.) **Mike, Sally** and **Alan** agreed their time with the Peace Corps changed their lives.

The next Rotary Meeting will be January 11, 2013.

Happy Holidays to you and your family.

Jim Cheney closed our meeting reciting the **Four-Way Test**.
