Wally Wong provided an update for our November Tree planting service project. We will be digging holes at Rotary park on Kalaniana'ole and planting azaleas at Liliuokalani tea house on Saturday, November 21. **Jeremiah Leonard** will bring a jackhammer to help dig the holes in the ground. Next Saturday, November 28 will be when the trees will go in the ground at Rotary Park. If anyone would like to help plant these trees, meet **Wally** at the park and be sure to bring your own gloves and tools. Check the website calendar for updates.

Wally also reported on the **Hawaii Island Home for Recovery Thanksgiving Extravaganza**. A group will be meeting on Thanksgiving Day, November 26 at 7:30 am to cook. Anyone interested is welcome to join.

Our next club meeting will be held at a special time: **Tuesday, December 1 at 5:30 pm**. This will be our 100th anniversary celebration meeting with many special guests, so mark your calendar. Because of this special occasion, we will not have a Friday meeting on December 4. Our final Rotary meeting of 2020 will be on December 18.

The 2021 Rotary International Convention will be in Taipei from June 12-15. Contact **Doug Adams** or **Randy Hart** for more info or go to the website.

While **Chuck & Gay Porter** celebrated their 28th anniversary and

Reese & Steven Mates celebrated 17 years together.

\$ Happy Dollars:

Wally Wong donated to **Hawaii Rotary Youth Foundation** in honor of all who planted trees for our service project this month, 47 of our goal of 100 have been planted so far.

Helene Tajiri celebrated the video made by grandson for **Reading in Kindergarten** and gave to **HRYF** also. **Randy Hart** donated to **The Rotary Foundation**.

Jim Becker shared that the global tele-medicine project board has decided to match any funds given through the **Hilo Rotary Club Foundation**.

Susan Munro is happy that she and **Kerry** passed the final inspection on their new remodel and gave to **HRCF**. **Nancy Cabral** gave to both **HRCF** and **HRYF** in honor of both **Nate Chang** and her father who also passed away last week.

Alberta Dobbe also donated to **HRYF** in memory of **Nate Chang**.

Genie Phillips wanted to celebrate that escrow closed on possibly her last sale with a donation to **HRYF**.

Julie Kron celebrated her son's first semester in college, where he is maintaining a current 4.0 GPA with a donation to **HRYF**.

Kazuo Todd donated to **HRYF** in memory of two firefighters who recently passed away, **Jonathan Hara** and **Eric Hayashi**.

Jim Cheney then introduced **Audrey Wilson**, a fellow Rotarian and food columnist. **Audrey** talked turkey and demonstrated how she prepares her Thanksgiving main

course. She demonstrated deboning a tur-

key with a chicken instead, explaining that deboning allows the turkey to cook more evenly and in a much shorter time (3 hours at 350 degrees). This also provides a great way to save space in the fridge

while brining a turkey in a two-gallon Ziploc bag. Turkeys can be sewn back together before baking so it will still look like a turkey when it comes out of the oven. She also demonstrated how a deboned turkey makes for much

easier carving once it is finished. She highly suggested using a proper deboning knife and is always excited for Thanksgiving since this is one of the few times during the year that we can get fresh turkey here in Hilo. After deboning the turkey, she use the bones along with celery, onion, and carrots to make a stock for gravy.
