

Aloha,

This recent covid-19 pandemic has created an opportunity for our fellow Rotarians to step out of their comfort zone to share the Dictionary Project with our third grade students who are now on distance learning.

With the help of some very talented Rotarians, we will be using digital media to share the joy and multiple uses of the Student Dictionary as well as the unveiling of our Keiki Heroes program.

What a wonderful way to stay connected with our youth, to share the gift of a book and to provide them with useful information during these trying times.

Mahalo for your service,

Wally
