Space Program

THIS WEEK

This was not your ordinary Rotary meeting. If you had the feeling you had been there before, you were right. This was the Third Annual Corning Rotary Groundhog Day Pancake Supper at the American Legion Hall in South Corning. With no fanfare, the flapjacks began flying off the griddle at 4 pm.

President Ted opened the formalities at 5 pm, explaining that this was a regular meeting, and also a fund-raiser for Club projects. At **President Ted's** request, **John Brown** gave the invocation.

Ted skipped the introduction of guests, announcements, President's time and fines, and went straight to recognition of the members who cooked, served, cleaned tables and washed dishes.

Special recognition went to pancake cooks extraordinaire **Stuart Sammis** and **Dick Pope**; to **Jim Hudson** on the piano; and to the Rotary Band that kept the joint jumping (namely, **Dave Anderson, Jim Hudson, Earl Whitney, our President Ted, Dick Perry** and **John Brown**).

The star of the evening was **Buddy Cutler**, who organized the pancake extravaganza.

The Program of the meeting was pancakes—as many as you could eat.

Phylis Jensen

organized a 50/50 raffle, and then won the \$122 prize—which she donated back to the Club (Buddy Cutler drew the winning number).

Jan Harvey won a pot of maple syrup. Most importantly, there was good fun and fellowship for all, as attested to by photos taken by **Mike Platt** and **Gil Sweet**.

Yuca with her host family:

The only low note of the day was that **Don Creath** broke his leg last week and could not be there. If someone saved a few pancakes for Don, he's at Three Rivers.
