COURAGE:
*The quality
 of mind or
 spirit that
 enables a
 person to face
 difficulty,
 danger,
 pain, etc.,
 without fear;
 bravery.*

*"My heroes are those who risk their lives
 every day to protect our world and
 make it a better place - police, firefighters
 and members of our armed forces."
 -- Sidney Sheldon*

FIREMAN'S PRAYER

When I am called to duty, God
 whenever flames may rage,
 Give me the strength to save some life
 Whatever be its age.

Help me to embrace a little child
 Before it's too late,
 Or some older person
 from the horror of that fate.

Enable me to be alert
 And hear the weakest shout,
 And quickly and efficiently
 to put the fire out.

I want to fill my calling
 and give the best in me,
 To guard my neighbor
 And protect his property.

And if according to your will
 I have to lose my life,
 Please bless with your protecting hand
 My children and my wife.
