THIS WEEK

The Corning Rotary Club gathered for lunch and friendship at the Corning Radisson. The Invocation was given by **Clint Janes** who offered a prayer of encouragement to give to others less fortunate.

President Elect Jan Harvey thanked the servers and all of the service members. She also encouraged members to view the website for new members.

Brandi Graham introduced Rotarians who then introduced their guests. **Wanda Rivera** introduced **Mary Ellen Monahan** from the Salvation Army. **John Wahlig** introduced

Christine Moremi and **Bill Boland** introduced and welcomed back **Deb Joseph** who announced the Spelling Bee would be held on March 9, 2019.

MEMBER ANNOUNCEMENTS

PRESIDENT WENDY'S FINE TIME Hijacked by President Elect Jan Harvey

President Wendy will be proud of the funds that Jan Harvey raised! Everyone was so willing to give! Happy times bring the best out in all of us. **Dick Pope** was happy that **Deb Joseph** returned to Rotary.

Stu Sammis was proud to announce that no more sons got engaged.

Jeff Ugoretz was happy for his sister who was just named Assistant Deputy Director of Cybersecurity for the FBI.

Nancy Dubendorfer was happy that her son caught a 24 pound salmon. I guess so: happy eating!

Dick Puccio was happy because his pants did not fall down even without a belt! This was just one of those times that you had to be there.

PROGRAM

President Elect Jan handed-out Rotary cards for all of us to write a personal heartfelt note to a veteran at the Bath VA Hospital. She passed out 70 cards and the club dug in and got them finished in record time.

As I reflect on this first-time in-service project, the club members bonded with the true Rotary, Service Above Self. A joy to behold!

50/50: The \$8 pot was won by **Sam Sanfrantello's** table. The big pot sits at \$327.
