Ridgemont -7-10;30pm –Sponsored by the  
Westside Rotary Clubs***

**District Governor Mike Slovak's Message to the Club on Wednesday**

**Here's the list that I have shared with the clubs we have visited so far:**

- **Increase Member Global Perspective**— We are not a International Organization by accident—We need to lead the world in club participation.
- **Increase Member Foundation Giving**—30 cents a day get you to the \$100 member goal for the year, consider Rotary Direct—\$10/month
- **Increase Club Support**—Our District has been working to provide more services that we hope will be perceived as some of the benefits of being a Rotarian.
- **Increase Personal & Professional Development & Training Opportunities**- One of those benefits is the ability to participate in seminars and workshops (webinars) that have additional benefits for Rotarians as well as our family members leading to job security and advancement, improved family dynamics and an increase in our quality of life.
- **Improve & Increase Communications**-My biggest pet peeve is our inability to communicate effectively with all Rotarians in our district. I'll share this in more detail when I visit your club, if I haven't already. Suffice it to say we wouldn't want to run a business we owned under our current communication obstacles.
- **Increase Club Strategic Plan Development** –The Greece Club is one of only 5 clubs in the district that have completed a Strategic Plan in 2017-2018.

BE THE INSPIRATION
