**GREECE ROTARY "BEACON" NEWSLETTER—WEEK OF MARCH 7, 2018**

## Greece Rotary Brick and Mortar Proposed Project – 30 Day Club Comment Period In Place.

If you have comments on this project—positive or negative please email them to [-chuckgreecerotary@gmail.com](mailto:chuckgreecerotary@gmail.com)

The club criteria for a Brick and Mortar project is detailed in the attached pdf.

We had approached the town years ago of doing a open shelter at Robach Park /Henpeck Landing on Ridgeway/Elmgrove Rd, but the administration was leaving office, and did not want to consider a new project at that time.

Mike/Al approached the town recently for the same idea but the town offered a new spot across the canal on Elmgrove and Old Ridgeway for a New Lodge. -the attached pdf shows a map of the proposed lodge.

The Town said they will fund the clearing of the wooded forest, sewer hookups, parking lot etc. and other needed ground excavation work for a cost of about \$300-400,000. Senator Joe Robach feels he can secure a state grant for \$500,000 to construct the lodge and the Greece Rotary would have to fund estimated balance of the lodge for @\$75-100,000.00

The proposed plans the town would like to build are from the new lodge from the Webster Parks Arboretum/Curry lodge – a very open building with glass windows on three sides – seating around 90 people. -This lodge will be extremely visible from Elmgrove Rd.

After July 1, 2018 – we will have about \$73,000 in our Brick and Mortar & Contingency account.

The Brick and Mortar Project is Construction of a New Lodge with the support of Senator Joe Robach & The Town of Greece, on Old Ridgeway Ave. & Elmgrove Rd-  
*Note : The Rotary Lodge at Canal Ponds is at the top of the picture circled*
