

CHALLENGER PROGRAM

The *Challenger* program is designed to offer special children who are physically and mentally challenged the opportunity to enjoy the full benefits of Little League participation in an athletic environment structured to their abilities. The value of the *Challenger Division* is found in the proven therapeutic and socialization benefits of sports participation and the strengthening of the child's self-esteem.

The Greece Rotary Foundation has helped many local programs such as Camp Haccamo, Unity Hospital Mercy Flight Helipad, and has given over 8,000 dictionaries to the 3rd Graders in the Greece and Hilton School Districts. We continue helping various local dedicated non-profit agencies along with Rotary International Projects.
