Club Assembly Notes from August Board Meeting

- The Club’s Financial reports are now on the Greece Rotary website under the Log-In page under Club Documents
- The Strategic Plan is moving along with the Special Needs Agency getting the RFP ready to send out once the board gives them firm direction on scope and financials. We will also be taking the balance of the three funds and putting them into a long-term investment account.
- We have four potential members in the pipeline—we always need more
- The Red Wings commissions and tips are over \$4,000 for the year with one more game to go on Sunday—we still need two beer pourers.
- We approved Sue Edgett’s club resignation for her to spend more time with her parents but she will still be helping at Ziti.
- The Board Approved the New Senior Active Membership for Scott W/Rino/Allan W and Ralph A, - Qualifications are 100 total years with 20 Rotary years and the cost is \$125/year.
- We approved the expense of \$1500 for the Greece Teachers Warm Coats project and \$565 for the Long Ridge School “buddy” program for students to help mentor autism students in the school
- The Literacy committee along with Paul Chatfield are planning to build “Book Library Shelters” for various neighborhoods so kids and adults can get free library books from the Shelter/House with out going to the library– Great Idea
