- Bach to Rock Part 2
- Hula Hoop game

## Day 4 Activities

### TED!

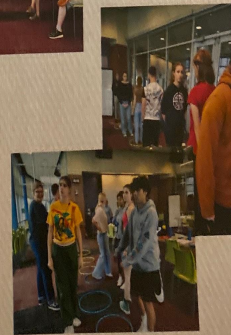

### WANDA'S STORY

### BACH TO ROCK PT. 2

### HULA HOOPS

### Lyrical Masterpiece no. 1 "I love Ismael"

I saw him sitting by his roommate Dean  
At first I thought he might be a little mean  
But soon he proved me wrong  
His charisma made him strong

And he helped everyone he could  
He was meant to lead, yeah, lead  
(sing in) m

I love Ismael  
So waking in the morning to do pushups baby  
I love Ismael  
So set your alarm so you can lead with me

He smiled and gestured for us to take a seat  
He taught me about diversity and equity  
He included everyone  
He really proved me wrong  
He's a role model to all.  
He was meant to lead, yeah, lead

Inclusive  
Community

x2 chorus  
at the end

[chorus]

# What did I learn

The top things i learned

- What makes a Good leader

- Seven Leadership styles- (communicative, Empa  
Responsibility, Passion, Vision, confidence)

- The meaning of diversity, equity and inclusion

- Directing » coaching » supporting » and delegating.

Our Clear Definition of Diversity, Equity, and Inclusion

Diversity

Representation of various identities and differences

Equity

Fair and equitable treatment, access, and opportunity

Inclusion

An environment where individuals' perspectives, ideas, and thoughts are respected and valued
