TONIGHTS MEETING Rtn IAN BURNET

Author and historian Ian Burnet, who is a member of Northbridge Rotary, was our Guest Speaker for a Zoom meeting in October 2021 on the subject of Joseph Banks' voyage on the Endeavour who, with Daniel Solander, became the first trained naturalists to describe the unique flora and fauna of continent Australia that had evolved during its 30 million years of isolation.

Tonight Ian will speak to us in person, unrestricted by technology, on another of his fascinating books on an earlier period fully titled as "The Tasman Map - The Biography of a Map - Abel Tasman, the Dutch East India Company and the first Dutch discoveries of Australia"

Every visitor who passes through the vestibule of the Mitchell Library stops to admire the magnificent marble mosaic of the Tasman Map which fills the entire vestibule floor.

Over a period of only forty years from 1606 to 1644 and based on sixteen separate discoveries the first map of Australia took shape. The Tasman Map shows a recognizable outline of the north, west and south coasts of Australia that was not to change for another 125 years until the British explorer James Cook charted the east coast in 1770.

In 1925 and 1933 the Mitchell Library in Sydney acquired both the Tasman Huydecoper Journal and the Tasman Bonaparte Map. The story of how the library managed to acquire these treasures of Dutch exploration and cartography will bring new recognition to these icons of both Dutch and Australian history.

Ian Burnet grew up in South Gippsland, Victoria, Australia and graduated with a degree in Geology and Geophysics from the University of Melbourne.

He has spent thirty years, living, working and travelling in Indonesia and is fascinated by the diverse history and culture of the archipelago. This is reflected in his books "Spice Islands", followed by "East Indies", then "Archipelago - A Journey Across Indonesia", then "Where Australia Collides with Asia", then "The Tasman Map" and his latest book "Joseph Conrad's Eastern Voyages".

FROM OUR PRESIDENT

The last 'normal' meeting of our club was on the 22nd of November 2022 and a lot has happened since then.

There was a good roll-up for our Annual General Meeting on the 6th of December and the outcome of same has been reported in the Minutes of Meeting as subsequently distributed by our secretary, Arthur Marshall, and also mentioned later in this Bulletin. Office Bearers and Directors for 2023 -2024 were elected.

Arthur Marshall has decided to take a break after many years of serving on the Boards of our Club and the former Roseville Chase Club and I was happy to see some new faces on the Board for 2023 -2024. Andre Hariman, as President, Ross Symons, as Secretary, Diana Wilkinson, and our newest member, Phil Dunbar. Peter Kindred also re-appears after a short break. Peter Lewis was elected, subject to his personal situation at that time, as President for 2024 – 2025.

It is my strong belief that there should be regular changes of faces, attitudes and thoughts on the Board of any organisation to maintain its vitality and relevance. There are still a small number of members who are not members of any of our Committees or Activities and I encourage them to do so. Our club will only attain real strength and vitality when everyone becomes involved in some way.

Please phone me on 0414 565 557 if you would like to take part in a group, even in a minor role.

Our Club Christmas Cocktail Party was held on the 13th of December and was a great success with much chatter, reminiscing and laughter, highlighted by the incredible entertainment by Noel Cislowski [although I was concerned that both he and the table, and whatever he was drinking, would collapse on the floor at any stage]. No doubt several members, and former members, helped to make the evening such a delight but I particularly mention Neil Howie and his liaison with the golf club.

And then there was the Tree of Joy project as reported on by Peter Timmermann elsewhere in this Bulletin. I admit that I did not know much about this incredible activity until last year, although a tree had been displayed in the Roseville Golf Club for many years. I thank and congratulate all of the members of our club who participated in some way in December but in particular Peter Timmermann who had responsibility for overall supervision.

And also a special thanks to Peter Lewis who somehow managed to fill all the time slots for attendance at various aspects of the organizing, especially attendance at Chatswood Chase.

What does 2023 have in store for our club? Or rather what does our Club have in store for 2023?

And Yes I enjoyed the Christmas party too.

NEXT MEETING - 24 JANUARY 2023

Brian Townsend will present a Vocational talk.

BLACKTOWN CAREVAN

Richard Green has advised as follows;

Members of the former Roseville Chase club will remember that the club was involved in establishing the Blacktown Carevan.

You will be pleased to know that it is thriving .and on Christmas Day they served Christmas dinner to 300 people. They have a very strong committee and are still involved with the local schools which produce the meals. The local council is still a strong supporter of the organisation. It is good to know it is thriving.

The original Albury Carevan organisation is still active despite the fact they have had floods in the area recently.

TREE OF JOY 2022

The tradition continues. A team consisting of members from the Rotary Club of Chatswood Roseville as well as Crows Nest met on several occasions to organise the final Rotary community project of the year. The Tree of Joy has a history of over 30 years.

Thirteen committed supporters placed Rotary trees in their premises to collect gifts for various charities. All benefactors, which includes Chatswood Chase, several local schools, Roseville Golf Club, medical practices, and community establishments reconfirmed their availability to be part of this year's Christmas charity program. One

new supporter being Coles Local Chatswood at

Westfield allowed us to place a tree and gift receptacle cage at their store.

The official opening of the Christmas campaign took place at the Chatswood Chase at 11am on 10 December. The traditional carol singing was conducted by Noel Cislowski and was attended by the State Member for Willoughby Tim James MP, the Mayor of Willoughby City Tanya Taylor, some long time supporters of this community initiative, including some Rotary members. The tree at Chatswood Chase was continually attended by Rotarians, who generously gave 130 man hours of their time from 10 to 22 December.

As in previous years, Sheads Real Estate made an office available to us where we received and sorted all gifts from the various trees. From there donations were picked up by/or distributed to the beneficiaries. Rotarians delivered gifts to several nursing homes in the Chatswood and Lane Cove area. The beneficiaries included the Children's Ward Treasure Chest at the Royal North Shore Hospital, Phoenix House, Catholic Care, Streetwork, Youth off the Streets, to name a few.

The result was most rewarding, we received an estimated 3900 gifts, as well as gift cards to the value of nearly \$8,000 and cash donation valued \$ 3,700.

It was a satisfying result which was made possible by the support of the benefactors, the public and the commitment of the members who formed The Team consisting of Peter Lewis, Sue Raveane, Peggy Yu, Michael

MacQuillan, Bruce Carfrae, Tony Basten and John Hartley.

It was an example of good teamwork.

A thank you to all who participated and helped in making this year's Tree of Joy a success.

A special thank you dinner is scheduled to be held on 14 February 2023

Peter Timmermann

LIBERTY OF BEING THE BULLETIN EDITOR

JP Fifty Years

Local Justices of the Peace were honoured by Attorney General, Mark Speakman, for over half a century of service.

REGIONALISATION PROJECT - UPDATE

After the Regionalisation Pilot vote in September, we announced that 90% of clubs voted yes to proceed with the pilot and 20 of 21 districts met the two thirds of clubs voting Yes threshold. The 21st district had a simple majority in favour but not the two thirds majority.

The results were reported to the Rotary International Board and it was approved that we proceed with 20 districts. We will continue to work with the last district during this period and give them the opportunity to have another vote at a later time.

The last several years have been focused on planning but fast forward to now and we are into the pilot implementation phase. Since we last communicated with Zone 8 members:

1. We established a task force to carry us in to the next phase. Past District Governor and Past Coordinator Tim Moore is the Implementation Task Force leader and his team is currently being resourced based on appropriate skills in responses to calls for volunteers.
2. We have held new information sessions where you heard from Co Chairs PDG Ingrid Waugh and PDG Peter Frueh on the progress made in the design and consultation of the Pilot.
3. We have documented our progress and mapped out a draft timeline.
4. We also plan to present the pilot cost estimate to the Rotary International Board in April 2023. The time frame has been extended to allow more extensive consultation on the implementation plan and associated costs that are being developed.

Throughout the new year you can expect regular communications and opportunities to get involved, so please keep a look out for emails from the team. For now, we encourage you to please have your say and be kept up to date by visiting creatingtomorrowrotary.org ,or email us at rotaryregionalpilot@gmail.com

If you'd like to volunteer to be part of one of a working group, the Implementation Task Force or Monitoring and Evaluation team, please use the nomination form.

Sincerely,
Regionalisation Pilot Project Team
Co-chairs Ingrid Waugh (NZ/Oceania) and Peter Frueh (Australia)

MESSAGE FROM HARBOUR TO HAWKESBURY LIFELINE

Thank you all for your help with our 2022 Christmas Hamper Project. Offering your time to deliver our hampers helps provide much needed joy to families and individuals within our local community.

The Christmas Hamper Project is coordinated by a small group of volunteers who devote an enormous amount of effort, energy and commitment to make Christmas a little brighter for people who are struggling, especially during what can be a particularly difficult time of year for many. These hampers not only ease some of the financial and emotional stress experienced during the festive season, they also remind recipients that they are part of a supportive community that cares about them.

On behalf of everyone at Lifeline H2H, thank you again for your participation in this important project. Kindness such as yours has made a real difference to vulnerable people over Christmas, and for this we are immensely grateful.

Wishing you and your families a very happy Christmas and a prosperous new year.

Kind regards,

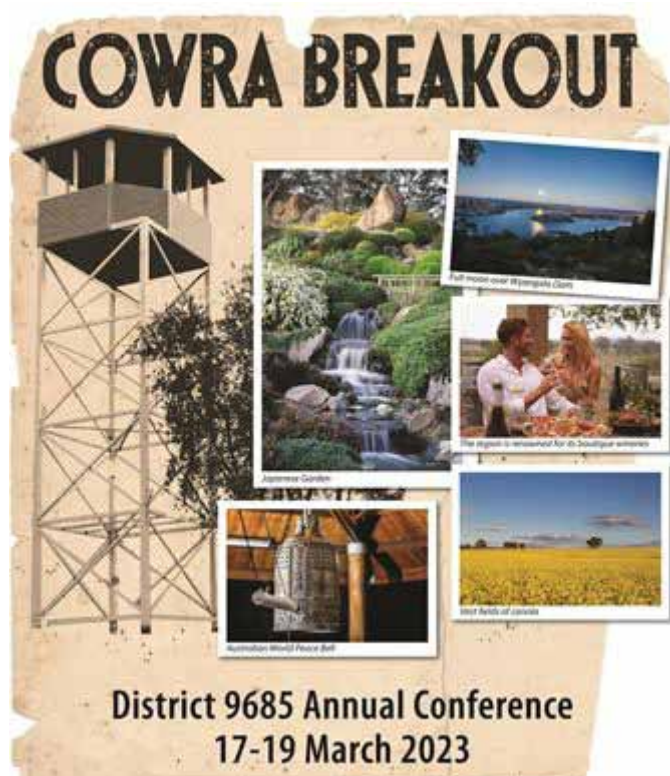

Katie

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are one and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
