## 2022-2023 PRESIDENT'S REPORT

My year as President ended at mid-night on Friday the 30th of June 2013.

On reflection I am very proud of what our club achieved during that 12 months, especially as it was in many ways still undergoing a settling in period subsequent to the amalgamation of the 2 clubs of Chatswood and Roseville Chase on the 1st of July 2020. Both of the prior clubs had diverse histories and cultures and boasted a myriad of personalities among their memberships. Would the merger work?

It certainly did work and by way of confirmation I refer you to the reports of the various Directors and Office Holders elsewhere in this edition of the Bulletin about what the Club has achieved during the past year. It is apparent that each and every member has made an effort to make the year an outstanding success.

Our efforts to provide overseas aid have been incredible and diverse including, but not limited to, Turkey, Northern Syria, India, Timor-Leste, Nepal, Vietnam and Ukraine.

And on the domestic scene we assisted numerous organisations and charities in multiple ways including servicing the many Trees of Joy placed in a number of locations immediately prior to Christmas and then distributing the numerous gifts which had been donated.

We assisted many individuals including Dr. Mikaela Coleman to obtain a Rotary Global Grant scholarship to enable her to study for a Masters degree in Epidemiology at the London School of Hygiene and Tropical Medicine.

Rotary is indeed most fortunate in having numerous talented and fascinating people who are prepared to forgo their time to attend our meetings and give informative and fascinating talks on a diverse range of topics. Neil Howie somehow managed to arrange for an incredible variety of presenters some of whom are mentioned in his report elsewhere in this Bulletin.

We held 3 club forums during the year when we frankly and openly discussed how our club was progressing and where improvements could be made. It was made clear that the camaraderie amongst our members would be enhanced if we, our partners and friends met on occasions in addition to our normal fortnightly meetings on a social basis so we visited, inter alia, Wollombi, the ANZAC War Memorial in Hyde Park, Phoenix House and the Lucas Heights Nuclear Plant.

And the 2022 year culminated in our Christmas party which was well attended by members, partners and friends and by members of the former Clubs of Chatswood and Roseville Chase.

But of course our Club had to raise money to fund our charitable efforts. Our main source of income during the year was preparing and selling gastrological delights known as Sausage Sandwiches to the throngs eagerly lined up ready to eat them. This involved many of our members giving up a substantial portion of their weekends. We are indebted to Bunnings Chatswood for giving us the opportunity and facilities to do so. Over the previous years the profits were somewhat meagre considering the time and effort involved especially by Peter Lefmann, John Hartley [and his van] but the position greatly improved when Bunnings allowed us to increase the price and Coles Local at Westfield Chatswood began donating the sausages.

Naturally news of all of our activities had to be communicated amongst our members and friends and we are indebted to Greg Muldoon and Ross Symons for initiating the Bulletin and for Ross for continuing to produce it on a fortnightly basis. The minutes of our Board meetings are promptly distributed to all members so that we are well aware of what is happening in the Club.

Did I hear you ask which of the numerous and varied activities of our Club during the past year gave me the greatest joy and satisfaction?

Our club had a great interaction with many of the schools in our area but two events in particular stand out in my memory. The Bob Mugden Primary School Public Speaking and Essay Competition and the Gordon Waterhouse Memorial Music Scholarship. I was stunned to watch and listen to the incredible abilities of the youth of Australia to communicate and entertain, physically, verbally, in writing and musically. Their amazing efforts give me confidence in the future of our country and pride in what our club is doing to encourage our youth.

I am most thankful to have had the opportunity to be the President of our club for the last 12 months and I hope that Andre Hariman and his team gain as much enjoyment and fulfillment as I did.

## 2022-2023 DIRECTOR'S & CHAIR'S REPORTS

### Club Administration and Service Director's Report 2022 - 2023 Director ; PP Neil Howie

The role of Club Administration and Service is, broadly, that of supporting and promoting the functioning of the Club as a vibrant and efficient Rotary Club.

This year the role has primarily related to enhancing and managing the Club's Meeting and Speaker Program.

The Club, which generally meets twice monthly on the second and fourth Tuesdays of each month at Roseville Golf Club, held 24 Club meetings over the Rotary year 2022-2023.

Board meetings were held before the Club meeting on the first Tuesday of each month.

At each Club meeting, sufficient time was allowed for Directors and members to speak on, and discuss, current and proposed programs and activities. Particular examples are the Club's Foundation Global Grant Program (Peter Kindred); the Shelter Box Program (Peter Timmermann); Youth Programs (Richard Green); Vocational Programs (Peggy Yu); and the numerous Community activities and programs (Pres. Norm, Peter Lewis and others).

Some meetings focused on basic and necessary Club administration and Club roles in Rotary including; the holding of three Club Forums for members (in August, March and June); the update on the RI Zone 8 - Regionalisation Project from PDG Kalma McClellan (in August); the Club visit of the then District Governor Mina Howard (in September); the Club's Annual General meeting (in December); our Christmas Party; and the Special Meeting to adopt the new Rotary Club Constitution and revised Club by Laws (in May).

Many meetings related to Rotary programs and projects with guest speakers; speakers from our Club; or from participants in projects including;

- Dr Mikaela Coleman (District 9685 Global Grant Scholar) on her research work in Kiribati on the related diseases of leprosy and TB (in July);
- Rotarian Ken Hutt (mountaineer and paraglider) on his attempt to climb and paraglide from Everest (as he has done from other Himalayan peaks) to

raise funds for End Polio Now (in October);

- Andy Skidmore CEO of Burn Bright on its youth leadership and well being development programs (in October)
- Elizabeth Lovell CEO of Lifeline Harbour to Hawkesbury (H2H) on its work and funding needs (in November)
- The Tree of Joy Dinner (in February) for benefactors and beneficiaries of our Christmas Tree project in conjunction with Crows Nest RC
- The Primary Schools Essay and Public Speaking Competition with contestants, teachers and parents attending from four local primary schools (in March).
- The Pride of Workmanship Awards Dinner (in April).

In lieu of a meeting at the Golf club, the Club on 18 April (led by Peggy Yu) met at the ANZAC Memorial in Hyde Park for a fascinating and very informative guided tour followed by dinner at a CBD Italian Restaurant.

Our speaker program for meetings also included many outstanding guest speakers and speakers from our members on topics of a more general interest including:-

- Brian Townsend and Peggy Yu - A Virtual Tour of the Central Railway Mortuary Station (in September);
- Alan Hall-Watson- Transforming Chatswood Golf Club and golf course (in November);
- Ian Burnet - The Tasman Map- Abel Tasman , The Dutch East India Company and the First Dutch discoveries of Australia (in January);
- Brian Townsend - Renewable Energy and the Future of Hydrogen (in January);
- Noel Phelan - The Story of the Costa Cordia (in February)
- Cmdr Ray Rees RAN (Ret.) - The 1942 Japanese Submarine Attack on Sydney Harbour (in May);
- David Atkinson- How can it be Poetry if it Does Not Rhyme (in May);
- Mikhael Prokopenko- How to Connect Security and Recovery in a New Deal for Ukraine (in June).

Particular mention and the thanks of the Club go to those who made the meeting program work so well:-

- Those members (particularly Pres. Norm, Tony Basten, Richard Green, Peggy Yu and Michael MacQuillan) who assist with topics and speakers.
- John Hartley as Attendance Officer who manages members attending and their guests for meal orders with the Golf Club and on check-in ably assisted by Avis Manoukian and often by Peter Lefmann .
- David Williams who provides IT support for the operation of the online RSVP attendance system and for any glitches with the Golf Club's in-built visual and audio system.
- Sergeants Ian Garrard; Wayne Kearns; and Sue Ward for pre- meeting

agenda and running sheets; room setup; and as MC's for most meetings.

- Those members who always assist in setup and removal of banners and flags etc at the end of the meeting particularly Michael MacQuillan, Peter Lefmann and Peter Lewis.
- Ross Symons our Bulletin Editor for the meeting notices, articles and reports.
- The staff at the Golf Club for their support and service over the year.

# Youth Service Director's Report 2022 - 2023 Director; PP Richard Green

Youth is always a busy portfolio and this year was no different

We have had students attend RYLA (Rotary Youth Leadership Awards) , MUNA (Model United Nations Assembly), Science School, and the STEM (Science, Technology, Engineering and Maths) Challenge.

But we were not represented at RYPEN (Rotary Youth Program of Enrichment). The summer RYPEN was cancelled and schools were not keen to attend the winter RYPEN as it clashed with winter sport.

In addition we held a very successful Essay and Public Speaking competition run by Neil Howie. We also ran the Gordon Waterhouse Memorial Musical Scholarship in June, run by Noel Cislowski.

We presented awards to a student at the following schools at the end of last year. Castle Cove Public, Roseville Public, Roseville College Junior, Roseville College Senior, Chatswood Public, Killara High, Killarney High, Cromehurst Special, and Trangie Central. Other schools we worked with are Shore School and Saint Pious College.

I would like to thank all the club members who assisted on youth projects.

## ShelterBox

The Rotary Club of Chatswood Roseville continued their efforts to support ShelterBox during this Rotary year. The financial support the Club provides to ShelterBox addresses homelessness caused by natural disasters and conflicts.

The devastating first earthquake in Türkiye/Northern Syria on 6 February 2023, measuring 7.7 magnitude, struck in the early hours of the morning. More than 50,000 lost their lives and more than 100,00 people were injured. More than three million people were displaced. To help these unfortunate people a fund-raising action was organised, and the club raised \$10,000 in a very short time.

The other ongoing catastrophic situation since February 2022 is the war in Ukraine which displaced millions of people. These refugees were also assisted by ShelterBox and received the club's support.

In 2022 ShelterBox assisted over 400,000 people, over 80,000 families in 12 different countries in Europe, Africa, Middle East and Asia.

As in previous years we raised funds by arranging International dinners. During this year we held only one dinner, the annual Rotary Oktoberfest, which was well supported, raising nearly \$7,500.

To fund future support for ShelterBox we will continue to organise International Dinners, organise car rallies, as well as making direct requests to the public for donations.

In recognition of the club's efforts, ShelterBox Australia presented the Rotary Club of Chatswood Roseville, the only Rotary club in Australia, with the prestigious Blue Diamond Award which recognises 'lifetime giving of a club' of \$100,000 or more. A big thank you to all our supporters who made this possible.

The Blue Diamond Award Certificate is shown on the next page.

### **Lifestart Foundation Vietnam**

Lifestart Vietnam is keeping us informed how our sponsored student, Pham Ngoc Thu Thao, is progressing. Thao was initially sponsored by the Rotary Club of Chatswood in January 2015 and has just successfully finished first term in year 3 at Ho Chi Minh University of Social Sciences and Humanities, studying English Linguistics and Literature where she is progressing well. We continue to support 'our' student in Vietnam and may look at sponsoring another student in the coming year.

### **Interplast.**

Interplast was co-found in 1983 by Rotary District 9800 and the Royal Australasian College of Surgeons thus celebrating their 40th Anniversary this year. Their motto is 'Repairing bodies & rebuilding lives in the Asia Pacific region'. Following the pandemic related travel restrictions, Interplast has now resumed to continue to deliver lifesaving surgery to those in need in the Asia Pacific region. The club has donated \$2,500 to support their ongoing activities to help treat people in surgical need. This project will continue to be supported by our Club in the future.

Thank you to the club members who helped achieving these results.

PP Peter Timmermann - International Service Director, 2022 - 2023

## Social Committee Chair's Report 2022 - 2023 Chair; Sue Ward

In September 2022, a number of us went to see the Wollombi Sculpture exhibition.

It is curated by Wendy Black , wife of Andrew Black who was a Member of the Roseville Chase Rotary Club before they moved to beautiful Wollombi. Wendy is a very accomplished sculptor and still teaches in Sydney.

After viewing many and varied exhibits in and around the town (Photo below left), we visited Nick and Julia Brooke who had generously invited us all to lunch at their home.

It was amazing to see the town of Wollombi after the devastating floods. But a fun day for all who went.

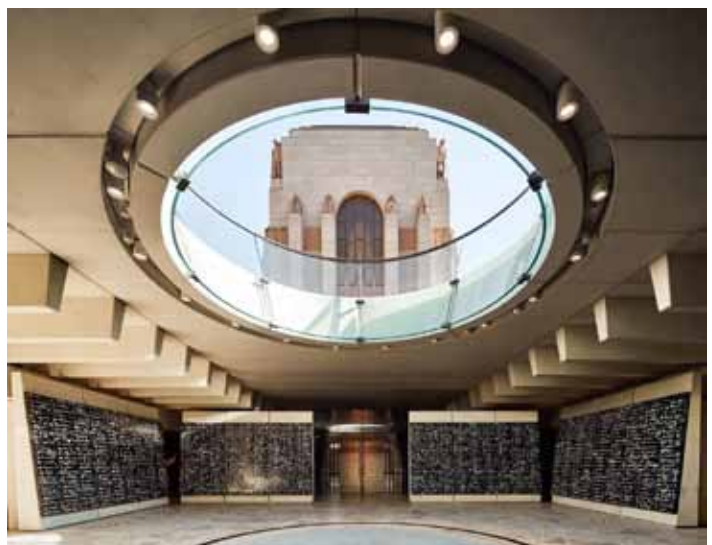

In April Peggy Yu organized a tour of the Hyde Park ANZAC Memorial with dinner afterwards.(Photo below right.)

This was very well attended. The Memorial has been extended and offered us all a great chance to reflect on those that have gone before and given the ultimate sacrifice.

It has a wonderful wall showing all the suburbs, villages, towns and cities that the men and women came from, to join our armed forces in a time of need.

Avis Manoukian organized a successful tour to ANSTO (Australian Nuclear Science and Technology Organisation) at Lucas Heights. 20 member and partners attended this visit.

# Golden Needle Project

## Chatswood Roseville And Izmir-Dokuz Eylul (Turkey)

### Rotary Clubs

### Summary For 2022 - 2023

#### **Context:**

We recognise the WW1's allies' invasion of Turkey, at Gallipoli. Both countries have, subsequently, worked respectfully to the betterment of our countries and its people.

The “*Golden Needle*” Rotary Global Grant built on earlier joint program involving a Group Study Exchange, 2013 and a successful Rotary Global Grant, “Child Bride” (2014/15) to educate disadvantaged young women.

#### **The Project:**

*Golden Needle* is a humanitarian project, focused on community economic development, being jointly managed by Chatswood Roseville (Australia) and Izmir-Dokuz Eylul (Turkey) as well as being cooperatively funded through the Rotary Foundation.

The project is focussed to provide education and improved economic standing of disadvantaged women by generating an up-skilled workforce for the textile industry in the city of Izmir. Regional turmoil has seen high rates of incoming international migration to Izmir and the project seeks to provide technical training to enable impacted women gain employment and improved opportunities.

**Goals:** The project targeted establishing 3 centres which will train some 200 women per year to work, as intermediate staff, in the ready-made clothing and textile industry. The project's goals are:

- Building the capacity of local leaders, organizations, and networks to support economic development in poor communities;
- Developing opportunities for productive work and improving access to sustainable livelihoods; and
- Empowering marginalized communities by providing access to economic opportunities and services.

**As of June 2023, all three centres have been successfully established and graduates are being employed.**

#### **Cooperating organisations include:**

- \* Izmir Metropolitan Municipality has committed to allocate 3 buildings, to support the access of people who will receive training, and to take over the training centres and make them sustainable after the project is over.

- \* Aegean Clothing Manufacturers Association is committed to supporting women's education processes, supporting the employment of women who graduate and supporting the employment of vocational high school graduates.
- \* İzmir Bayraklı Ali Osman Konakçı Vocational and Technical High School management have committed, in the MoU, that after the end of the project, they will continue training with new machinery and equipment.

**As of June 2023, the MOU are been successfully implemented and the possibility of establishing a fourth centre has been proposed.**

The project framework was built on:

- Surveys of women's training centres confirm the education criteria (Photos below) and localities of the training centres. (In 3 regions of Bayraklı, Konak, Karabağlar).
- Interviews of ready-made clothing manufacturers to identify their needs, training requirements and employment opportunities.

### ***Performance as at June 2023***

#### ***Turkish Earthquake 2023***

- Eastern Türkiye had a major earthquake that devastated much of the eastern areas of the country
- The project focused on the manufacturing underwear (some 4,000 pieces) and baby/kids clothing (some 2000 pieces) for the effected regions. The fabric for the training production and fabric for the earthquake underwear is supplied by Aegean manufacturers association and the relief clothing was also delivered to the impacted areas.

#### ***Training and Employment***

- A total number of women entering the training: 45
- A total number of women graduating successfully: 45
- A total number of women gaining employment: 21
- Project remains on Budget.

***Sustainability:*** The Golden needle's sustainability targets, include:

- Economical assisting socially disadvantaged women to gains skills and employment.
- That through a MOU with the Municipal council and Aegean clothing group.
- Council will continue to support the project through providing buildings for learning, maintain equipment and teaching.
- The successful graduates will be employed through the Aegean manufactures.
- Project progress will be monitored via Rotary.

## **Rotary Foundation Director's Report 2022 - 2023 Director; PP Nick Dorsch**

From the Foundation point of view, activity has been low.

Apart from the annual programs fund donation of \$5000, there has been a donation of \$5000 to Polio Plus.

Also notable is a continued Centurion membership of approximately three-quarters of total Club members, more than twice as many as a few years ago.

PP Nick Dorsch, Foundation Director, 2022 - 2023

## DAILY COURTESY BUS

Our residents will enjoy access to a courtesy bus for transportation to local destinations including our local vibrant shopping areas in Chatswood and Lane Cove Village.

## NO ELECTRICITY COSTS

Residents will never receive a power bill for their home. Solar power will generate 100% of the electricity for every apartment.

## RESIDENTS KEEP 100% OF CAPITAL GAIN & FIXED FEES FOR LIFE

After deducting the deferred management fee, you keep the balance of the capital gain (unlike most other retirement operators). Our deferred management fee is one of the lowest in the industry at 25%. All resident monthly recurrent charges are fixed for life, providing comfort and security in an uncertain economic landscape.

## ABOUT ROTARY

*Paul Harris*

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

## ***OBJECT OF ROTARY***

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ***ADVANCE AUSTRALIA FAIR***

Australians all, let us rejoice,  
For we are one and free,  
We've golden soil and wealth for toil  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair.  
In joyful strains then let us sing  
Advance Australia Fair.

## ***ROTARY THANKS***

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

## ***THE FOUR-WAY TEST***

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
