## FROM YOUR PRESIDENT

I have suggested in the last 2 editions of the Bulletin that the Rotary Club of Chatswood Roseville forms some type of liaison with the Yeoval Central School in central NSW which has approximately 100 students from kindergarten to year 12. Its indigenous population is around 30%. The students come from a relatively low socio-economic background which sometimes impacts their educational opportunities. Yeoval has a population of under 300.

At our last meeting Warren McGurgan of the Rotary Club of Belrose told us of how his club has, for the past 26 years, been giving support and assistance to the students of the Peak Hill Central School, which is about 40 Kms from Yeoval as the crow flies.

I recently drove to Yeoval and on Tuesday the 30th of May met with Trish Henderson, the Principal, and Helen Tremain, the Secondary Head Teacher, and we had initial discussions as to whether, and if so how, our club can work in with them and the school to assist the students.

Our meeting was not overly extensive nor detailed as they had to fit me in with their classes but they expressed interest in our hosting an excursion to Sydney early next year by about 15 members of Years 9 and 10, together with 2 or 3 staff members. About 4 days and 3 nights. There is no train service from Yeoval and the once per day train from nearby Wellington arrives in Sydney at an inconvenient time so they will catch a bus to Lithgow and a train to Sydney then stay at a hostel close to Central.

They would appreciate us showing them various aspects of Sydney. "An Urban Challenge". Some random suggestions were the Jewish Museum, a football match, Luna Park, an art gallery and a walk over the Harbour Bridge. No need to hire a bus as they should experience 'the joys of public transport'.

From previous experience the cost is in the vicinity of \$500 each student for a 3 day trip but I do not know how that is made up. They receive a subsidy of \$220 but I do not know where that comes from. Somehow they manage to raise the additional money. "No child misses out!" Obviously our club will subsidise their expenses and entertainment but the nature and extent of same will have to be clarified closer to the day.

During my visit to the school I attended 2 'class rooms' which were small rooms

occupied by one and two students respectively, a table and chairs, and a monitor. They were being taught on a subject for the Higher School Certificate not otherwise taught at their school, by a teacher who is located in a distant location, to students who may be spread over many thousands of square kilometers. That is normal education in many Australian country towns, similar to the Alice Springs School of the Air. Such are the difficulties faced by our bush students and their amazing teachers.

I have subsequently written to Trish and Helen and asked for their further suggestions on an interaction between our club and their school between now and the end of this year.

A visit to Yeoval to mentor students in Years 11 and 12 as to future career opportunities, as done in Peak Hill by Belrose club members? Provision of books, new or used, to the students or the school library? Naturally I would like to keep up the momentum and I hope you will support me.

I will mention this matter at our Board and Club meetings on the 13th of June and ask for approval and support for my ongoing discussions with the Yeoval Central School. There will be a cost to our club but the extent of same will depend on what assistance we are asked to give. If you have experience or suggestions on how we can help in the coming 6 months please discuss with me, Andre Hariman our President-elect or Phil Dunbar, our incoming Community Service Director.

for the Rotary Club of Chatswood Roseville.

Mike Greenslade, CEO of ShelterBox Australia presented the Rotary Club of Chatswood Roseville with the prestigious Blue Diamond Award which recognises 'lifetime giving of a club' of \$100,000 or more.

**The Rotary club of Chatswood Roseville is the only Rotary Cub in Australia to receive this award.**

ShelterBox has been supported by the Rotary Club of Chatswood since 2004 constantly making contributions towards this good cause, resulting in winning Gold Awards for the past 5 years.

The financial support the RCCR provides to ShelterBox addresses homelessness caused by natural disasters and conflicts. In 2022 ShelterBox assisted over 400,000 people, over 80,000 families in 12 different countries in Europe, Africa, Middle East and Asia.

This year alone the RCCR raised \$10,000 in donations for ShelterBox to attend to the needs of the earthquake victims in Türkiye/Northern Syria.

To fund past and future support for ShelterBox we organise International Dinners, like the Oktoberfest, organise car rallies, as well as making direct requests to the community for donations.

**ShelterBox believes that shelter is a basic human right.**

### **NSW INSPIRATIONAL WOMEN'S AWARDS 2023 NOMINATIONS ARE NOW OPEN**

The Rotary Inspirational Women's Awards were launched on 26 April 2022 on board the Windeward-Bound Youth Development Sail Training Vessel in Sydney Harbour.

The NSW Awards are an initiative of the combined efforts of a group of passionate Women Rotarians in the Greater Sydney and Illawarra Clubs, in keeping with Rotary's motto of 'Service Above Self'. The purpose of the Awards is to acknowledge and celebrate community service performed by women through their vocations, selfless gifts of their skills, and their time in various activities and endeavours.

The Awards recognise the work done by women, the "quiet achievers", whose actions inspire others and make a real difference in their communities.

While individual organisations have specific internal awards, RIWA recognises service to the community across all sectors in each of the geographic areas of NSW. It recognises the NSW general community and is about commitment, dedication, perseverance, and proactivity in improving the lives of others.

The Awards are open to all women above the age of 18 across NSW and members of the public are encouraged to submit online nominations at:

<https://riwa.awardsplatform.com>

The Hon Jodie Harrison MP, Minister for Women, Minister for Seniors, and Minister for the Prevention of Domestic Violence and Sexual Assault said:

*"The 2023 Inspirational Women's Awards shine a light on the incredible contributions of the quiet achievers in our communities. I strongly encourage the public to nominate a woman who is working to improve the lives of others whilst looking for no recognition themselves.*

*Every day across NSW, women are uplifting our communities, from supporting local sporting organisations, to health and social services and educational endeavours. The Awards are one way we can show women that we value their time, efforts and commitment to helping our communities thrive.*

"Proudly hosted by: Rotary District 9675 website: [www.riwa.com.au](http://www.riwa.com.au)  
PO Box 161 email: [riwa.chairperson@gmail.com](mailto:riwa.chairperson@gmail.com)

The Awards are divided into three categories: Urban, Rural and Health. These are further divided into:

1. Young Inspirational Woman of the Year – 18-30 years of age
2. Inspirational Woman of the Year - 30+ years of age
3. Inspirational Health Worker – 18-30 years of age and 30+ years of age
4. A total of 24 finalists will be recognised.

Everyone knows at least one woman, irrespective of age and vocation, who excels by volunteering quietly, giving of her time to make a real difference to the lives of others.

These women inspire others and are real role models.

A panel of independent judges, from Rotary across NSW, will assess nominees on their community service which best exemplifies Rotary's motto of Service Above Self, achievements, and personal attributes.

IT WAS THE 20TH OF MAY. ON A CHILLY MORNING, THE SHORE MUNA SQUAD ARRIVED AT ARDEN HIGH SCHOOL, READY TO DEBATE A RANGE OF ISSUES.

MUNA, or the Model United Nations Assembly, is an annual international competition that aims to test the debating skills, knowledge of the country applicable to certain issues and national dress of students who represent a selected delegation. The countries of Japan and the UK had the pleasure of

being represented by the highly capable Michael Kwak, Daniel Kang, Braden Dent (United Kingdom), Oli Mezrani, Killian Featherstone, and Ari Carboni (Japan). The morning brought about excited discussion between each delegation, with conversation ranging from potential alliances, to who wore the most outrageous costume. Day one saw the discussion of four resolutions, being:

- McDonald's as a world food
- Action on climate change
- Borders and national sovereignty
- Exploitation of space.

It was obvious from the get-go that Shore was a school that was not to be messed with, with National debater Michael Kwak silencing his competition with an array of

words that few could even comprehend, and Daniel Kang dominating proceedings in a particularly regal crown and outfit. Unfortunately, the Shore MUNA team was struck apart, with debating mastermind Michael Kwak having to attend a national debate.

The Shore team arrived on day two of MUNA to seal the deal, with a total of two resolutions to be debated over the five hours. Alliances were further strengthened, but bridges were also burnt.

The delegation of Russia dealt with the challenge of even speaking at this point, as they struggled to provide an amendment to given resolutions without severe clamour from the NATO delegations.

Although no Shore team placed in the top three, we knew where we truly belonged - back home. It was truly an unforgettable experience. As a non-debater myself, getting used to 'the lingo' took some time, but was worth it by the cessation of the resolution.

I'd like to congratulate my fellow Shore delegations on their outstanding performance.

Additionally, I'd like to thank Rotary for sponsoring us so that we could have this wonderful experience. MUNA is such an excellent opportunity for all Shore boys, as it allows you to meet and collaborate with people from all types of backgrounds and contexts and have some fun too.

Dear Rotary Club,

I would like to start by thanking you for the opportunity for us to compete in the MUNA competition, through your sponsorship of our team.

The MUNA experience last weekend was something all of us had never experienced before and it was an incredibly unique time. We all thoroughly enjoyed the experience and learnt a lot throughout the weekend.

It was a very rewarding and developing experience, being given the opportunity to represent a country (Japan) and speak on critical issues and topics in today's society from the 6 resolutions.

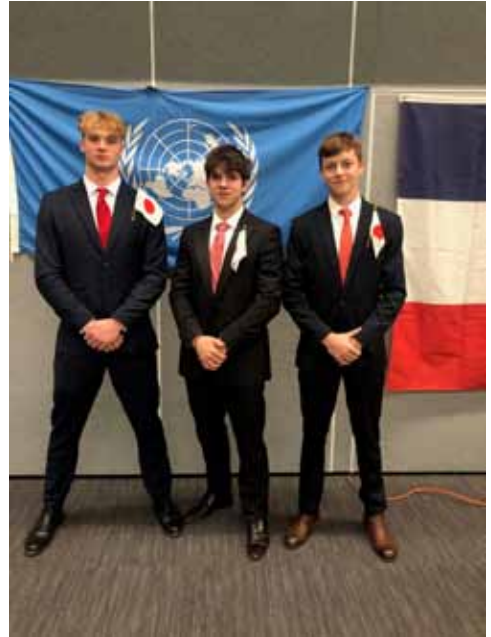

The Japanese delegation did a good job at speaking upon those topics whether it was through seconding an amendment or through being asked to speak on the topic and we saw a noticeable improvement in our MUNA skills as the weekend went on.

Personally, this experience at a MUNA competition has brought up the idea of doing more public speaking and debating style events as I found it very rewarding. Again, thank you very much for the opportunity.

Warm regards,

The Japanese delegation from Shore school.

## THE BACK PAGE

A married couple was invited to a Halloween party. That night, as they were getting ready to go out, the wife said she had developed a migraine headache and had to stay home. She told her husband to go to the party without her. "Don't let me spoil a good time for you," she said. After further discussion, the husband put his costume on and went to the party. The wife took some aspirin and went to bed.

After sleeping for a while, she woke feeling much better and decided to go to the party and surprise her husband. As she was getting ready, she thought to herself, "I wonder what my husband really does when I'm not around." She then got into a different costume, so her husband wouldn't recognize her, and went to the party. Getting there, she stood off to the side and watched.

There was her husband dancing with one girl after another and getting very physical with them. She decided to see just how far he would go. She went up to him and started dancing with him, got very close and whispered that they should go outside. Going to one of the cars, they made love. Prior to the midnight unmasking, she left and went home to wait for her husband to return so she could confront him.

He arrived home about 1:00 a.m. and climbed into bed. She sat up and asked "Well, how was the party?" He replied, "It was no fun without you honey." She said, "I don't believe you. I bet you had lots of fun!" He replied, "Really, Honey. When I got to the party, some of the guys and I got bored and we went downstairs and played poker all night. But you know, that guy I loaned my costume to had one hell of a great time."

## ABOUT ROTARY

*Paul Harris*

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

## ***OBJECT OF ROTARY***

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ***ADVANCE AUSTRALIA FAIR***

Australians all, let us rejoice,  
For we are one and free,  
We've golden soil and wealth for toil  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair.  
In joyful strains then let us sing  
Advance Australia Fair.

## ***ROTARY THANKS***

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

## ***THE FOUR-WAY TEST***

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
