## TONIGHTS MEETING - 13 SEPTEMBER 2022

### DG MINA HOWARD - OFFICIAL CLUB VISIT

**All Board Members note that the DG will be meeting with the Board at 4.30 pm**  
**All Directors will need to outline their planned avenue of service activities.**

The District Governor Mina Howard, will conduct her official visit to our Club and share with us her aims and objectives for her year, as DG for 2022-2023.

Mina joined the Blackheath Rotary Club in 2006 and became its first female president in 2011 serving a two-year term after three years as secretary. She was Assistant Governor for two terms, is a facilitator on the RLI team and was the District Vocational Chair 2020-2021. Mina is a PHF+5 and is committed to supporting The Rotary Foundation.

Mina is very committed to community involvement. She is the immediate past president of the Mount Victoria Community Association, having held the position for five years and is the convenor of the Mount Victoria Great Train Weekend event. She volunteers at the Blackheath Area Neighbourhood Centre and the Blackheath Rhododendron Gardens.

Mina's goal for 2022-23 is to encourage clubs to look critically at their projects and practices and aim to make their club more diverse and welcoming whilst providing meaningful service opportunities for each member.

## FROM YOUR PRESIDENT

The constraints and lockdowns imposed by COVID have almost passed and our lives are starting to return to normal.

Well that has certainly happened with the Rotary Club of Chatswood Roseville!

Let's review some of the achievements and activities our club have achieved since our last meeting 3 weeks ago.

Firstly, we now have a colourful and attractive uniform. Greg Muldoon and John Hartley have arranged for the design and production of Polo shirts and caps for all our members. [If you have not as yet received yours they will be available at our meeting on the 13th September. Don't miss out as they will soon be valuable collectors' items].

Then came the attention grabbing posters publicising Rotary and especially our club and what we are all about. Peter Timmermann's daughter initiated the design and Greg Muldoon followed through and engaged the expertise of Clarke Murphy Print who provided designer expertise and printing. The late Bob Clarke was a foundation member of the Roseville Chase club and his then partner, Ken Murphy, readily prepared and donated the posters in his memory.

Our uniform is shown in some of the photos in other parts of this Bulletin. Two of our four new banners are shown at the end of my message.

And of course we have our pull up banners and promotional brochures telling of the wonderful things that our club does.

But what are we to do with all of this promotional material advising the world what a wonderful club we are?

Peter Lewis, our Community Service director, suggested and then organised, a bacon and egg bread roll catering service for the father's day breakfast at the Roseville Public school on Friday the 2nd of September. Many of our members served hundreds of parents and children, all of whom were suitably impressed, not only by our culinary talents but also by our sartorial splendor and immediately named us 'The Red Army'.

And that was followed the next day by a large number of our members attending a stall at the Chatswood Street Fair organised by Andre Hariman. Unfortunately the weather was not fair to the Fair but the camaraderie was 'encouraged' by several members being forcibly enclosed in a small space at the same time to avoid being drenched by the rain. We did not want to spoil our new Polo shirts did we?

And what will happen in the near future to maintain the impetus of our club's activities?

Sue Ward and Peter McKeown from our Social Committee have organised a visit to Sculptures in the Vineyards, at Wollombi, on Wednesday the 21st September. Please contact them urgently to confirm that you are coming and with how many guests as they can organize a mini bus to and from. The event is being promoted by 2 past Presidents of the former Roseville Chase Club, Andrew Black and Nick Brooke. Nick is currently a member of our club but lives at Wollombi and can arrange overnight accommodation if required. [0412 635 454]

But of equal importance we must continue to attend our twice monthly meetings.

If we do not have a minimum attendance of 25 paying members we must pay the Roseville Golf club the shortfall. Our Treasurer will not be happy.

Norm Gibson  
President

## RI ZONE 8 REGIONALISATION PILOT PROJECT

### Zone 8 Rotary Regionalisation Pilot Project

#### The key objectives of the project are:

1. Support clubs to engage members, volunteers and communities.
2. Create new attractive leadership opportunities.
3. Build a stronger unified Rotary board.
4. Encourage partnerships.
5. Improve efficiencies and reduce duplication.

**Now:** there are approximately 1.175 million Rotarians world wide in **34 Zones, 524 Districts** and **37,000 Clubs**. The Zones are divided by **approximately equal number of Rotarians** thus 50,000 (between 40,000 to 60,000) per Zone.

Rotary has a **complicated and convoluted governance** sometimes with varied, multiple and unclear representations.

**Under regionalisation** there will be approximately **45 Regions** which are divided by culture, language and geography. The 45 Regions will be divided into **1,800 Sections or areas** of approximately 20 clubs. Each Region can and will represent a unified Rotary representation. Each section or area will include both Rotary and Rotaract clubs. The future role of Districts, District Governors and Assistant District Governors are unclear but a Regional Council will be formed and the representatives will assist with the running and administration of clubs.

#### There are many benefits of regionalisation:

1. Every club and district will benefit more from 'outside' experts.
2. One does not have to be a Rotarian or a Rotaractor to sit in a leadership position.
3. Allow clubs sharing geography, culture and purpose to organise in ways that suit them.
4. Attract more community, corporate and government support by communicating with one voice.
5. Grow membership through more flexibility and closer relationship and partnership reflecting more diversity,
6. Reduce the burden of administration responsibilities placed upon our leaders.

Andre Hariman.

Information and some photos of the the evening are shown on the following pages.

### Club voting on pilot project.

Consultation with District clubs on the pilot project has now been completed. As background, a team has been working for some time to establish a pilot to support clubs to explore, develop and test a new model of governing and operating. The Rotary International Board has agreed to support these efforts, and that support is subject to District and clubs voting to participate in this pilot.

Districts and club voting takes place between 15th and 29th Sept. We only have meetings on 13th or 27th September for our club to decide on our club vote.

### **The wording on the question on Regionalisation will be:**

**Do you approve of a zone 8 pilot.**

- *This club approves participation in a pilot to develop, test and evaluate a new regional approach to supporting and governing Rotary and Rotaract clubs and members in zone 8 from July 2023 to June 2026.*  
(Yes or No)

### **Brief notes on how Club President Votes;**

- The club's vote will be by electronic ballot, managed by the Rotary International South Pacific and Philippines Office.
- The club president will receive an email from [vote@simplyvoting.com](mailto:vote@simplyvoting.com) enabling them to vote on our club's behalf.
- The club president shall cast the vote according to members decision.
- Each club will have one vote - no club weighting based on membership.
- It will be a confidential vote, open for 15 days. (This gives clubs 30 days' notice of the vote.)
- Nobody will know the decision of a club's specific vote, however, a receipt of a cast vote will be issued to the president.

## NEXT MEETING - 27 SEPTEMBER 2022 SYDNEY CENTRAL MORTUARY STATION

### **Presentation by Club Member PP Brian Townsend.**

Brian will present a virtual tour of the Sydney Central Mortuary Station. Designed for one very creepy purpose — to carry Sydney's dead to their final resting place, The Mortuary Station is the only remaining example of a purpose-built Victorian funerary railway station in Australia, and possibly the world.

Located just outside Central Station, it is one of the most ornate sandstone structures in Sydney – and certainly one of the most unusual railway buildings in NSW.

Virtual guests will take a journey back in time to learn about this elaborately carved stone railway station and have the opportunity to appreciate the landscaping and the architectural and cultural aspects of the building.

In 1869, funerary services were separated from ordinary railway traffic with the introduction of a dedicated cemetery branch line between the Mortuary Station and Rookwood Necropolis. Both buildings were designed in the Gothic Revival style by the renowned colonial architect James Barnet. The train service operated between Sydney and Rookwood for over 80 years, transporting funeral mourners and visitors to the cemetery until the 1930s.

## 2022 NATIONAL MUNA

**Richard Green has passed on the following email from the SHORE School.**

I just thought to give you an update on how Shore performed at national MUNA this past weekend.

The team representing USA, worked well as team and spoke well – they were articulate and passionate advocates for their nation's interest. Unfortunately, the field was very competitive and we didn't receive a place. However, the students conducted themselves admirably and I was so proud of their achievement and performance.

I want to thank you both for the generosity, support and sponsorship of the teams at both District and National level – it was a wonderful opportunity and I think the students found the experience rewarding.

Below is a photo of the Team at the National MUNA

Once again, I want to thank Rotary for the opportunity you have facilitated for our students.

# ROSEVILLE PUBLIC SCHOOL FATHERS' DAY BREAKFAST BBQ - 2 SEPTEMBER 2022

On Friday morning, 2nd September, our dynamic RCCR members teamed up with the Roseville Public School P&C Social group to provide a Fathers' Day BBQ Breakfast for parents and children. This was a regular annual past event run by the old Roseville Chase Club – but we slipped a couple of years due to Covid restrictions. However, we were back in action as RCCR with the BRAND NEW RCCR Shirts and Caps!

Fourteen of our members cooked eggs and bacon rolls for a few hundred parents and children. It was a very successful morning and everyone appeared very happy! A big thank you to the chefs and servers – many of whom stepped up again at the Chatswood Street Fair stall on the Saturday.

We have also received the following email from the Roseville Public School.

*"Peter, A huge huge thank you to you and your amazing Red Army today! What a turn out! We are so so grateful!  
Just wonderful, thank you"*

Peter Lewis  
Director, Community Service  
Rotary Club of Chatswood Roseville.

## CHATSWOOD STREET FAIR 3 SEPTEMBER 2022

### King Norm and his Knights of the Round Tables “the Quest to Find a new Knight”

Once upon a time there was a prosperous land called Chatswood Roseville ruled by a king called King Norm and his 38 Knights of the Round Tables. They were not getting younger thus they went to a quest to find a new knight.

The newest knight Sir Andre decided to pitch a recruiting tent in in a village called Willoughby Street Fair. Arriving at 6.45 in a foggy, freezing and rainy morning he was shivering and waiting for instructions by more experienced knights. Sir Noel, Sir Greg and Sir Michael arrived and decided to decorate and make the tent more attractive and persuasive. King Norm arrived next after fighting and killing a terrible monster called Trainstrike.

The tent was surrounded by a religious temple, a fitness tent and many food stalls attended by many gorgeous wenches from many lands. Sir Andre provided some foods and drinks to the hungry knights.

At mid morning the bad weather improved and new knights comprising of Sir Avis, Sir Peter T, Sir Peter K, Sir Peter Lef and Lady Peggy arrived to continue the struggle. A minstrel sang ‘strange songs’ nearby; unfortunately his voice would frighten even a fire breathing dragon. Nevertheless, there were a couple of inquiries including a wizened ‘know all’ gentleman who could not stop talking and a different minstrel who had performed at a nearby village called North Sydney .

After noon famous warriors Sir Tony, Sir David, Sir Ross, Sir Arthur and Sir Peter Lew met many interesting villagers including a young couple, a lady and some who were more interested in our gay and happy annual festivity called the Oktoberfest.

As the sun is setting the villagers were getting restless and with the help of a young apprentice, knight William, the knights decided to pack up and returned to their respective homes. Whatever the result the knights had great fellowship. Andre Hariman.

## SOCIAL OUTING - SCULPTURE IN THE VINEYARDS WEDNESDAY 21 SEPTEMBER 2022

The Social Committee has organised a visit to Sculpture in the Vineyard, Wollombi on Wednesday 21 September 2022.

Sue Ward, from the Committee, needs to know if the members are still interested. We will car pool, go by a mini bus (if enough members indicate so) or self-drive. Please reply to Sue Ward if;

1. you are coming
2. you are bringing a partner, and if so the number
3. wish to self-drive, car pool, or go by mini bus.
4. wish to meet at the Wollombi Pub for lunch.

Sue Ward and Peter McKeown

## WORKING WITH CHILDREN CERTIFICATE UPDATES

Peter Lefmann has reminded members that they may receive a notice that their Working With Children Certificate (WWCC) will soon expire.

It is critical that our service work is not impeded, or any members (or partners if they assist and participate) are not able to participate in any activity that requires a current WWCC.

Should you receive such a notice and renew your Certificate, **please forward a copy of your WWCC to Peter Lefmann for Peter to update the Club records.**

## GOLDEN NEEDLE PROJECT UPDATE

A quick update on progress with our Global grant application with the Izmir Rotary club.

Our Turkish partners have now assembled the signatures and authorities for the key participants, namely, the Aegean Clothing Association, Izmir local municipal council and our respective Rotary clubs. As a consequence, Norm and I were able to authorise the application and so now it is with the Rotary Foundation to formally consider the application.

Thanks to Peter Kindred's good work he has been able to reconfirm the additional (personal) financial support from within Australia to realise the full program.

So now it is a waiting game as to the success or otherwise of the application. Also we need to get all the signatures, dates and organisational stamps on the one MOU. Our Turkish club is pursuing this end with RI.

Ian Garrard

### Bank Hiccups

While waiting in line at the bank, a co-worker developed a very loud case of hiccups. By the time he reached the teller's window, the hiccups seemed to have worsened.

The teller took my friend's cheque and proceeded to run a computer verification of his account. After a minute she looked up from her terminal with a frown and said that she would be unable to cash his cheque.

"Why not?" my friend asked incredulously.

"I'm sorry, sir," she replied, "but our computer indicates that you do not have sufficient funds to cover this amount. As a matter of fact," she continued, "our records show your account overdrawn in excess of \$5,000."

"It can't be!" he cried. "You have to be kidding!"

"Yes, I am," she answered with a smile, counting out his cash. "But you will notice that your hiccups are gone."

### Memory Clinic

Two elderly couples were enjoying friendly conversation when one of the men asked the other, "Fred, how was the memory clinic you went to last month?" "Outstanding," Fred replied. "They taught us all the latest psychological techniques, visualization, association, it made a huge difference for me."

"That's great! What was the name of the clinic?"

Fred went blank. He thought and thought, but couldn't remember. Then a smile broke across his face and he asked, "What do you call that flower with the long stem and thorns?"

"You mean a rose?" his friend replied.

"Yes, that's it!" Fred then turned to his wife and said, "Rose, what was the name of that clinic we went to?"

### Jerry and the Surgeon

Jerry was in the hospital recovering from surgery when a nurse asks him how he was feeling.

"I'm OK, but I didn't like the four-letter-word the doctor used in surgery," he said.

"What did he say?," asked the nurse.

"OOPS!"

## ABOUT ROTARY

*Paul Harris*

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

## ***OBJECT OF ROTARY***

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ***ADVANCE AUSTRALIA FAIR***

Australians all, let us rejoice,  
For we are one and free,  
We've golden soil and wealth for toil  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair.  
In joyful strains then let us sing  
Advance Australia Fair.

## ***ROTARY THANKS***

For the community, friendship, and  
the opportunity to serve through Rotary,  
we give thanks.

## ***THE FOUR-WAY TEST***

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
