FROM YOUR VICE PRESIDENT

I have left this photo of our President Norm in place so we don't forget what Norm looks like, whilst he journeys around the globe meeting up with old friends.

MESSAGE FROM ACTING PRESIDENT TONY BASTEN.

President Norm reports that his computer is off and he has commenced his 'Round the World in 50 Days' trip to celebrate that unpaid sabbatical he has been boasting about for the past 3 months.

Meantime, the Club soldiers on with an informative meeting featuring Andy Skidmore, the CEO of Burn Bright, and a visit organised by PP Peggy Yu for 16 of us to Phoenix house's home in a tiny church in Crows Nest. This is an impressive NFP organisation well worth our ongoing support. Details of both events are provided elsewhere in this bulletin.

I look forward to seeing you all next week when Rotarian Ken Hutt will be updating us on his memorable End Polio Now campaign on the slopes of Mount Everest.

PP Tony Basten.

RIPE Gordon McInally Luncheon

Our Rotary World President Gordon McInally and his wife Heather will be in Sydney for one day only. They have graciously agreed to attend lunch at NSW Parliament House Monday 31 October 12 for 12.30pm. This is a combined event with D9675.

Parliament House caterers require us to confirm bookings on Monday 24 October so we must close off this coming Sunday at midnight. **Please register** here today or copy and enter in browser <https://www.rotary.org/en/gordon-r-mcinally-selected-be-2023-24-rotary-international-president>

Cost is \$110.00 per person for a 2 course meal and beverage package.

This will be your only opportunity to personally meet this Rotary World President. Surplus from the event will be applied to Polio Plus.

We hope to see you there Monday 31 October.

TONIGHTS MEETING - 25 OCTOBER 2022

Ken HUTT - ASSAULT on EVEREST for END POLIO NOW

KEN HUTT – Australian adventurer and mountaineer

A thwarted attempt by Australian adventurer and mountaineer, Ken HUTT, to become the first person to legally paraglide off the top of Mt Everest to raise money for Rotary International's **End Polio Now** campaign, has been placed on ice, but his message went all the way to the top.

Ken developed a life-threatening chest infection at camp 2 (6,400m). He had no choice but to descend. Once you get beyond Camp 2 you can not get medical aid or be rescued. It was heart breaking because Ken had been working on securing the flying permit for more than 3 years, but it was the only decision he could make.

Although Ken didn't get to launch the paraglider from Mr Everest his team (right) still managed to succeed with their goal. Three Brazilian climbers in his team made it to the summit and carried the **End Polio Now** banner with them.

Film maker Joe Carter, accompanied Ken and was producing a documentary *Fly from Everest*. Ken's expedition raised over \$250,000 for **End Polio Now**.

Left, Ken reunited with his son at base camp after descending.

Below, Mt Everest and Ken with his paragliding equipment

LAST MEETING 11 OCTOBER 2022 ANDY SKIDMORE - BURN BRIGHT

Andy told us how he founded the Not For Profit organisation Burn Bright, and a mission of growing the next generation of young Australians through student leadership, wellbeing programs and national camps. He outlined how Burn Bright works with students in a collaborative, fun and inclusive team culture.

Their programs and camps bring about positive behavioural change, a shift in mindset and personal wellbeing, allowing students to make informed choices and decisions.

He explained how Burn Bright's programs are focused on demonstrating how students can turn theory into action by practicing and road testing skills learnt before applying them in their own lives. Burn Bright has a team of 10 staff and over 100 volunteers. Burn Bright's programs are based on embedding and living out the concepts of positive psychology and are informed by the science of wellbeing.

Below are some photos from the night and of Andy's presentation.

NEXT MEETING - 8 NOVEMBER 2022

ELIZABETH LOVELL CEO, LIFELINE HARBOUR TO HAWKESBURY

Elizabeth Lovell commenced as the CEO of Lifeline Harbour to Hawkesbury (H2H) in July this year.

Before H2H Elizabeth was a Director of Student Administration at the University of Sydney, from July 2019 to July 2022; held several positions with Transport for NSW; and Study Group, a provider of international education. Elizabeth has been a member of Upper Northern Beaches Rotary Club since 2016, and a Joint Immediate Past President for 2021-2022.

In 1994, H2H won a tender with Ku-ring-gai Council to occupy a building that was previously the Gordon Library. A community campaign was run, with the support of local media, to refurbish the old library into a Lifeline centre.

In 1996, the transformed building was ready and the H2H moved into its present home at 4 Park Avenue, Gordon.

Since 1996 Lifeline Harbour to Hawkesbury has grown from a relatively small centre, operating a telephone counselling service, to a large centre providing a wide range of crisis support, suicide prevention services as well as face-to-face counselling services and programs.

Lifeline H2H at Gordon is an independent Lifeline centre managed by a small number of dedicated staff and 700 variously-skilled volunteers.

Earlier this year our Club assisted in the construction of a shelter at the Lifeline Depot in West Lindfield.

2022 TREE OF JOY - VOLUNTEERS REQUIRED

We need some committed volunteers to help manage the 2022 TREE OF JOY. Apart from the daily roster, the period of engagement will be between 12 and 23 December - details to be confirmed at later date.

We require volunteers to handle/transport the gift parcels between the trees, mainly Chatswood Chase to store (yet to be secured), sorting donations at the store by charity, pick ups from donors and/or benefactors.

If you can make a day available, no specifics at this stage, please let me know asap to get the planning under way.

Thanks for your support.

PP Peter Timmermann.

IAN FRASER FORMER ROSEVILLE CHASE ROTARIAN HONoured

Above is a photo which shows Ian Fraser's Life Membership Cap from the NSW Rugby Referees Association (NSWRRA), a silver Cup recognising 700 refereeing coaching sightings and reports and a Plaque for the The Chris Cunliffe-Jones Spirit of Rugby Award.

Ian was one of 3 Life Members who were presented with caps at the recent NSWRRA awards Evening. Two other Life Members, Peter Marshall and Russell Trotter also received caps.. This cap meant much to Ian as his late grandfather received a similar cap in recognition of his Life Membership of the Newtown Rugby League Club.

Ian has been coaching referees in Sydney from the latter part of the 1990's. Coaching involves discussion with the referee before and after the referee's game. This is followed up with a written summary of the referee's performance not only providing feed back on the what the referee did well but also indicating areas where the referee needs to improve.

The Chris Cunliffe-Jones Spirit of Rugby Award was presented to Ian at the Annual Presentation Night of the Sydney Western Referees Association (SWRRA). The Award was initiated by SWRRA and may be awarded annually subject to a suitable nominee. The President of the SWRRA sought nominations for Sydney Referees Associations based on the nominee's significant contribution to rugby using the World Rugby Players Charter as a guide.

Ian's wife Di accompanied Ian at both Presentation Nights. Ian was a member of the former Roseville Chase Rotary Club for just on 25 years. Congratulations Ian on receiving a well deserved honour.

PROPOSALS FROM ANDRE HARIMAN

PARTICIPATION WITH LANE COVE ROTARY IN PROJECTS

I attended the Rotary Club of Lane Cove meeting last evening and they invited us to participate in two projects.

1. End Polio Now Movie 'The Lost King'.

Last March our club and Lane Cove organised a very successful End Polio Now movie at the Mandarin Centre Hoyts. We charged \$30 per person.

This time I am proposing the following - **PLEASE ADVISE**

- a. we are not involved with organising the project but we will support it by attendance and donating some raffles prizes.

I will ask the Rotary Clubs of Lane Cove and Turramurra to organise it.

- b. We will Charge only \$20 per person not \$30 but we will sell raffles tickets at \$5 for 1, \$10 for 3 and \$20 for 7. There will be more than 25 raffles prizes.

- c. I will contact and speak to Hoyts Mandarin Centre and Hoyts Booking Centre in Melbourne as soon as possible and organise bookings.

Probable date Sunday 4th December at 10.00 a.m. and 1.00 p.m. sessions.

I will pay for the seats first and reimbursed later.

This will be a pre theatre release and as we are booking before 2.00 p.m. they probably charge us only \$10.00 per ticket.

2. \$ 20,000 Community Grant for Australia Day BBQ.

Like early this year, we have been invited to this event. I think each club will receive between \$4,000 to \$5,000.

If interested, could one of our Board Member please contact President Tania Mace as soon as possible.

I will assist on the day but I am not interested and do not have the time to organise it. Many of our members are much better than me.

Yours in Rotary,

Andre

Office of the
Children's Guardian

Changes to laws for child-related Organisations

New access to national information

Recent changes to laws mean that the NSW Working with Children Check can access information held on a national database of people barred from working with children. This database, known as the National Reference System, has been established by the Australian Government and is operated by the Australian

Criminal Intelligence Commission (ACIC).

This new measure means that the Office of the Children's Guardian will be alerted if an applicant, or holder of a NSW clearance, has been barred from working with children in other states and territories.

We may also share information, including workplace misconduct information, with other states and territories when a person is barred from working with children in NSW.

There is more information on our website about these changes.

New requirement for heads of organisations

Changes also mean that heads of organisations under the Child Safe Scheme must now have a Working with Children Check clearance. This is because leaders should model the actions expected of their staff. Apply for a WWCC now.

Animal cruelty offences now WWCC barring offences

Additional changes have come into effect that will further strengthen the NSW Working with Children Check scheme by ensuring that NSW applicants or clearance holders will be automatically barred from working with children for a range of serious animal cruelty offences.

We have established a Memorandum of Understanding with RSPCA NSW and the Animal Welfare League for sharing animal cruelty information to support this change.

Reminder to verify new and renewed Checks

An expired Working with Children Check is not valid and must be renewed for the worker to remain in child-related work.

Applicants do the first step of applying for a new Check or renewing an existing one online at www.ocg.nsw.gov.au/check. They then need to take their application number and identity documents to a Service NSW centre.

Employers can be penalised if they fail to verify that their workers or volunteers who work with children have a valid Working with Children Check or have applied for one. Find out more about penalties and compliance.

Make sure you keep your registration details up to date so we can contact you if a clearance is cancelled.

Child Safe – resources and training

There is much more to keeping children safe in your organisation than just the Working with Children Check. The Office of the Children's Guardian provides online resources and tools to help you.

Find out more at www.ocg.nsw.gov.au/childsafe

WILLOUGHBY LEISURE CENTRE BBQ

Reported to Last Meeting by Peter Lefmann.

As requested by Willoughby City Council, to help the Centre 'celebrate' the impending demolition and redevelopment of the total aquatic area, our Club was invited to run the BBQ at the event on Sunday 9th October 2022.

We were asked to cater for about 300 customers, and we finished up providing 432 gourmet delights.

The team of 6 was John Hartley, Peter Lefmann, Neil Howie, Avis Manoukian, Andre Hariman and Peter Lewis. We worked solidly from about 12 noon to 4.00 pm. The BBQ was free to the Centre attendees but the club will be paid \$2,000 by the Centre – plus we received \$4-500 in donations. Thanks to all that helped.

Monday 24 October is WORLD POLIO DAY.

Ending Polio is the number one priority of both Rotary International and The Rotary Foundation. Each Club is asked to make a commitment to contribute US\$1,500 (\$2,175). Over the past four years we have conducted the **All Stations challenge train ride** to End Polio. Over those four years we have raised in Greater Sydney over \$450,000 to ending Polio before the Gates Match. This year more than ever we need you commitment and support.

PHOENIX HOUSE BREAKFAST- 15 NOVEMBER 2022 NORTH SYDNEY LEAGUES CLUB

Phoenix House Breakfast on 15 November 2022 at North Sydney Leagues Club,
7.00 am - 8.30am

The boards of Rotary Crows Nest, North Sydney Sunrise and Chatswood Roseville recently agreed for their club to be part sponsors at \$600-\$660 each.

It is hoped that we can gain some new members from among the corporate and other Breakfast attendees as a result of Rotary brochures/banners being made available on the morning.

A multi-award winning speaker, Michael McQueen, will be presenting.

If anyone who is a high net worth individual wishes to attend the Breakfast, they may register their interest with Andre Hariman or PP Peggy Yu.

VOCATIONAL VISIT - PHOENIX HOUSE 18 OCTOBER 2022

A group of 16 members and partners, and some other local identities, attended a tour and presentation of Phoenix House on 18 October 2022.

The CEO, Paul Gabrielides, ran through the history of Phoenix House and how Phoenix House supports young people and their families through a range of services.

PHYS engage young people through specialist case management, assist individuals and families through therapeutic counselling, and create a sense of community and belonging through group work programs and activities.

Young People are referred to PHYS, requiring different levels of Care. Some require Urgent Attention, such as hospitalisation, accommodation and basic supplies. Their in-house Social Workers, Counsellors and Educators collaborate with external health professionals to support each young person achieve their most immediate needs.

They provide Youth and/or Youth and Family Counselling, Parent Consultation, Life Coaching and have conversations with parents, young people and/or their families that:

- focus on their best hopes
- focus on what is already working to help realise those hopes

Given that many people who come to the service may have faced hardship or adversity or may have been socially marginalised, PHYS aim to:

- provide a positive social response
- uphold and affirm the dignity, skills and efforts of people and
- advocate and support socially just outcomes

Following the tour we were provided with an enjoyable lunch prepared by volunteers from Phoenix House.

Many thanks to PP Peggy Yu for organisation of the visit.

Below are a few photos of the Vocational visit.

THE DEMON DRINK

An old drunk is on his way into a bar when a temperance society lady standing outside the bar suddenly speaks to him.

"Your drinking is the easy road to evil and damnation. Drink will pollute your body and soul. Give up the foul spirits and live a better life!"

The drunk looks at her and asks, "How do you know that drinkin is so bad for ya"

The tramperance society lady looks puzzled and shrugs.

The drunk asks, "Have you ever even tried a drink?"

The lady admits she hasn't, so the drunk tells her, "Listen, I'll go into the bar and order meself a drink and I'll get one for ya too. I'll bring it out here and ya can taste it yourself and see that alcohol is nothin bad."

The tramperance society lady reluctantly agrees, but says, "I don't want anybody out here getting the wrong idea about me, so would you mind bringing me the drink in a paper cup?"

The drunk agrees to this and goes inside. At the bar, he tells the bartender "Give me a double shot of whiskey, and a second half-shot in a paper cup."

The bartender groans and says: "Is that bloody tramperance lady out there again?"

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are one and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
