TONIGHTS MEETING - 27 SEPTEMBER 2022

Virtual Tour of Central Mortuary Station, Videos Prepared by Brian Townsend Presented by Peggy Yu

Designed to carry Sydney's dead to their final resting place, Mortuary Station is the only remaining example of a purpose-built Victorian funerary railway station in Australia, and possibly the world. Located just outside Central Station, it is one of the most ornate sandstone structures in Sydney – and certainly one of the most unusual railway buildings in NSW.

In 1869, funerary services were separated from ordinary railway traffic with the introduction of a dedicated cemetery branch line between the Mortuary Station and Rookwood Necropolis. Both buildings were designed in the Gothic Revival style by the renowned colonial architect James Barnett. The train service operated between Sydney and Rookwood for over 80 years, transporting funeral mourners and visitors to the cemetery until the 1930s.

Virtual guests will take a journey back in time to learn about this elaborately carved stone railway station and have the opportunity to appreciate the landscaping and the architectural and cultural aspects of the building.

Whilst the mortuary station is a heritage item, the even bigger vocational issue that Brian and Peggy found from their research, has revealed a history of the great architect to Sydney, James Barnett.

James Barnett is the architect who shaped most of the early government works throughout New South Wales. Some of his most notable works being Custom House, The GPO in Martin Place and North Sydney Post Office.

FROM YOUR PRESIDENT

PRESIDENTS REPORT

I have been reminded during the past month of the 4 Global Grant projects with which our club is currently involved. 3 of them were initiated and supported by the former Chatswood club and I knew very little about them. The other one was initiated more recently as a result of the enthusiasm of Ian Garrard.

One of the projects is the construction of a dam to provide drinking water to a local village which was promoted by the Rotary Club of Aurangabad East, in India.

Early in the month I received an email from that club which had been addressed to David Williams.

Dear Rtn. David,

I am pleased to inform you that our global grant project no GG1639404 for providing clean water is now complete in all respects.

The project was delayed due to leakages in concrete dam walls. The leakages can be found only when dams are filled with water.

Since last 2-3 years there has not been enough rain hence the leakages were not identified. Now all the leakages have been sealed and dams are ready in all respects.

Meanwhile I have uploaded an Interim Report for the year 2021-2022. We will be uploading the Final Report by next month.

I request you to authorise the interim report.

Please also let me know the Email Id of the current president of your club Rtn.

Norman Gibson. Please request him on our behalf to authorise the interim report.

Thanks, and With Best Regards,

Rtn. G. D Agrawal

RC Aurangabad East, India.

The Board approved me authorizing the Interim Report.

Another project with which our club is involved is the Timor-Leste Dental Program. I was provided with a Project Audit Report for the 6 months as at 30th June 2022 and distributed it to the Board. I understand that Peter Kindred is providing further information about that project elsewhere in this edition of the Bulletin.

A more recent project is the Golden Needle Project in Turkey with which we are more conversant. The contribution by our club is AUS\$15,000 which has been promised by Peter Kindred and other donors.

On behalf of our club I authorized the Memorandum of Understanding with

the Dokuz Rotary Club of Turkey which has now been submitted to Rotary International for their consideration.

The 4th project with which our club is involved is in Sri Lanka but this has been put on hold as a result of the current economic problems in that country.

My recent involvement with the above projects has focused my attention on what our club is doing to raise money for worth while charitable purposes in our own community.

Apart from the Sausage Sizzles at Bunnings, which are labour intensive, not enough.

In a Bulletin a couple of editions ago I asked for one or more volunteers to form a fund-raising committee but have not been knocked over in the rush. How about a couple of members stepping up to the mark within the next fortnight before I leave on my long delayed overseas trip. Not necessarily the usual volunteers who put their hands up all the time. How about YOU. Please queue up with your C Vs.

I have previously mentioned that one of my daughters has offered 2 nights luxury Glamping and/or Villas accommodation at her farm at Mudgee, which has recently been voted as the top tourist town in both Australia and New South Wales. This is valued at \$1,000, less cleaning charges, and requires no hard work from anyone in our club, except to sell the idea. Google Glenayr Farm, Windeyer.

Norm Gibson
President

PS. A report on the Wollombi Sculpture visit by some members appears later in this Bulletin. We luckily enjoyed lunch and hospitality of the Brooke's, as the pub was undergoing renovations following the floods earlier this year, as shown below.

NEXT MEETING - 11 OCTOBER 2022

Andy Skidmore - Burn Bright

BURN BRIGHT - SPEAKER ANDY SKIDMORE

Andy Skidmore is a life long social entrepreneur and is passionate about equipping young people to grow as leaders by taking a wellbeing approach and fostering positive and meaningful relationships.

When he was 21 he founded the Not For Profit organisation Burn Bright, a social enterprise with the mission of growing the next generation of young Australians through student leadership, wellbeing programs and national camps. Over the past 5 years Burn Bright has worked with over 50,000, 12-17 year olds, from all corners of Australia through school based programs and hosting the Australian National Leadership Camp.

Burn Bright are student leadership and wellbeing specialists who work with students in a collaborative, fun and inclusive team culture. This brings about positive behavioural change, a shift in mindset and personal wellbeing, allowing students to make informed choices and decisions. Burn Bright's programs are focused on demonstrating how students can turn theory into action by practicing and road testing skills learnt before applying them in their own lives.

VOCATIONAL VISIT

TALK-TOUR AND LUNCH AT PHOENIX HOUSE

Phoenix House Youth Services has a successful 35+ years track record working with "at-risk" young people (aged 13-24) in the Northern Sydney region. Their Mission has three pillars, Care, Educate and Connect.

To learn more about how they empower the young people in this community to work confidently toward achieving their goals and reconnecting to their community, here are the visit details:

- Date: Tuesday 18 October 2022
- Time: 11.30am to around 1.30pm
- Address: 10 Holtermann Street, Crows Nest
- Car parking: 2 hours free in the multi-storey carpark opposite
- Cost: \$20pp (lunch includes minestrone soup and bread, a dessert and tea/coffee)

Phoenix House has advised that Federal Independent MP, Kylea Tink, will also be visiting on the day.

If you would like to attend and haven't booked yet please email PP Peggy.

LAST MEETING 13 SEPTEMBER 2022

DG Mina Howard Visit

Among the very interesting thoughts and ambitions shared with us by DG Mina Howard, was an explanation of this years logo and theme “Imagine Rotary.”

For the information of those members who unfortunately could not attend the meeting, below is the story behind the 2022-2023 Rotary International Logo, which is shown in the banner below, and also appears on the front cover of our Bulletin.

The Story behind the 2022-2023 Rotary International Logo.

The logo for the theme was designed by Riki Salam, an Australian artist and graphic designer specializing in contemporary Indigenous art, design, and communications. He also created the 2023 Rotary International Convention logo which will be held in Melbourne, Australia, thus connecting the two by a shared visual language.

Meaning of the design elements

- The circle in aboriginal culture signifies our connections to one another.
- The dots around it represent people and there are seven because of Rotary’s seven areas of focus, namely;
 - Peacebuilding and conflict prevention;
 - Disease prevention and treatment;
 - Water, sanitation, and hygiene;
 - Maternal and child health;
 - Basic education and literacy;
 - Community economic development;
 - Environment.
- The circle and the dots together become a navigation star – our guiding light.
- The solid line underneath is what is referred to as a digging stick and it is used when doing hard work. And since Rotary members are people of action – it represents a tool for getting things done.

The colours

- Purple stands for polio eradication,
- Green for the environment, the newest addition to our areas of focus, and
- White for peace, our core mission.

Together, they are the colours of the women’s movement, the Suffragette – a subtle nod to this history as Jennifer Jones is the first female Rotary International president.

SOCIAL CLUB OUTING WOLLOMBI VALLEY SCULPTURE FESTIVAL

A group of us, President Norm, John and Kay Hartley, Sue Ward, Peter Kindred, Elizabeth Huh, Richard Green, Peter Lewis and Ro and Ross Symons enjoyed an interesting and social outing, in fine weather, visiting the Wollombi Valley Sculpture Festival (Sculptures in the Vineyards), last Wednesday 21 September.

Many of the sculptures, including one by Wendy Black, were displayed in some vineyards and community buildings in Laguna and Wollombi.

After Nick Brooke told us that the pub was undergoing extensive renovations, we were delighted to accept Nick and Julia's lunch invitation, and enjoy the generous hospitality, wines and delightful lunch provided by Nick and Julia Brooke at their home. Nick and Julia are revelling in their sea change, their new home, and managing the two "Somewhere unique - an escape for 2 in the Hunter" short stay cottages, all set amongst the hills and trees on their tranquil property.

Thank you Julia and Nick for the chance to catch up and your wonderful hospitality.

Wollombi is a very interesting area to visit (even stay) and appreciate some of the historical buildings and sites of the area.

SUMMARY/RECOMMENDATIONS

During Covid we managed to keep our dental clinic in Maubara running. We continued to employ full-time, two Timorese dental clinicians, who continued to provide dental treatment for their community throughout the pandemic.

We kept them supplied with dental materials and equipment. We also provided dental consumables -particularly local anaesthesia - to 3 government dental clinics - in Gleno, Liquiça and Maubisse. Without this support, they would have been unable to continue to serve their communities.

We are now slowly starting to return Australian teams to TL.

There is an increasing level of bureaucracy it seems, which is making it a much more onerous task to get teams up and running. We are attempting to sort out the process - which unfortunately changes significantly every election cycle.

Happy to report that two volunteer teams have completed their very productive visits in July and August/ September. A third team will visit in October.

The Education of Timorese student Ana Paula Salgado continues at Fiji National University. She has now completed Semester 1 of The Second year of the Bachelor of Oral Health Program.

COMPLETION OF FORM AND SUBMISSION

Email Address: timordentalprogram@gmail.com

Date: 6-Sep-2022.

Note; A second report from Team 2 on the Timor-Leste dental program has also been provided by Peter Kindred.

It has several photos and the report will be included in the next Bulletin.

Monday 24 October is WORLD POLIO DAY.

Ending Polio is the number one priority of both Rotary International and The Rotary Foundation. Each Club is asked to make a commitment to contribute US\$1,500 (\$2,175). Over the past four years we have conducted the **All Stations challenge train ride** to End Polio. Over those four years we have raised in Greater Sydney over \$450,000 to ending Polio before the Gates Match. This year more than ever we need your commitment and support.

Go to the September issue of the District 9685 ENews for the train timetable, and other information.

VALE PP JENNIFER BROWN PHF 1960 TO 2022

Member of former Chatswood Rotary Club

Yesterday (12th September) we learned of Jennifer Brown's sudden passing and were quite shocked.

Jennifer joined Rotary Club of Chatswood in 2006 and served as Secretary for three Presidents ... Paul Watts & Alan Hall-Watson & Peter Timmermann. She followed me as President in 2012-13 and paved the way for Dieter Torheiden and then Tony Basten, Nick Dorsch, Peggy Yu and Brian Townsend.

This was a golden period of strong leadership within our Rotary Club with great community projects & achievements over the past decade.

Jennifer always seemed happy and confident, if not a little shy when asked to talk publicly ... but in her years of Rotary she blossomed and gained enormous self-confidence, especially when addressing larger groups. She really was one of the very nice people in Rotary, always offering to help others in club projects & events.

Unfortunately, she was diagnosed with pancreatic cancer and resigned from Rotary in 2019 before moving north to Queensland.

In recent years, she met Michael Bourke and was in a happy, loving relationship. She sold up in Sydney and moved to Hervey Bay in 2020 where they were establishing their new home.

But her cancer returned and the end was swift.

She is survived by her partner Michael Bourke, her son Ryan, and her parents Arthur & Hazel.

Vale Jennifer Brown ... a wonderful person and generous community leader.

Past President Michael MacQuillan 2011-12 and 2021-22

Some photos supplied by Michael are on the following page.

VALE WENDY PHILLIPS

First female member - former Roseville Chase Rotary Club

Members, partners and friends of the former Roseville Chase Rotary Club, and indeed the wider Rotary community, will be deeply saddened to hear that Wendy Phillips passed away on 14 September 2022, aged 66, after a long illness.

Wendy joined the former RCRC in July 1999 and remained a member until April 2006.

She was the first female member of the Rotary Club of Roseville Chase.

Wendy was Youth Service Director (2000/2001) and Vocational Service Director (2001/2002). Wendy was also a host for the Club's Rotary International Youth Exchange student during 2000.

She touched all of us with her love, kindness, sense of humour and generosity of spirit.

Always an enthusiastic and exuberant contributor to, and participant in, the social and fun activities of the Club.

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are one and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
