TONIGHT'S MEETING - 9 APRIL 2024

Pride of Workmanship Awards

Willoughby City Mayor, Cr. Tanya Taylor, will join our President Andre in co-presenting the Pride of Workmanship awards to three successful nominees.

The primary object of the awards is providing employers with the opportunity of recognising and acknowledging the efforts and contribution of an employee who consistently achieves an overall high personal standard work performance.

Pride of Workmanship Award Scheme, consistent with its emphasis on the commitment to a job well done on the part of an employee, has as its theme:

“Do it Once, Do It Well – Build a Better Australia”.

Help make this a very memorable night for our three deserving awardees. You will be inspired by them.

ATTENDANCE and APOLOGIES

Members must complete the **RSVP response**, or advise **John Hartley**, with your attendance, apology, guests, any special dietary requirements for you or guests, by the **Monday 8 days before a meeting** for catering purposes. If you fail to apologise you will be charged the cost of the meal. Visiting Rotarians, guests or Friends please advise **John** on johnehartley@me.com (0422 383 583), by the 8 days before a meeting you intend attending.

FROM THE PRESIDENT

Our club has a truly excellent program from excellent guest speakers to unique projects. However more fun, more fellowship, doing more good and creating more hope in the world will be achieved if we are joined by other clubs.

Our ANZAC dinner meeting is the best in the District and members of the Rotary Clubs of Lane Cove and Crows Nest will join us on Tuesday 23rd April.

Our Gordon Waterhouse Memorial Music Scholarship on Thursday 23rd May will be promoted in the District E-News and among the 11 other clubs in our Rotary Community Group 2. Hopefully, we will fill the 250 seat Zenith Theatre as this great recital/competition deserves.

Then we will have our Changeover Evening on Tuesday 25th June, when we are always joined by members of other Rotary Clubs.

Hopefully, we will do the same in future occasions.

President Andre

NEXT MEETING - 23 APRIL

ANZAC Meeting

Richard Wilmott

Bessie Wilmott

Richard Wilmott, a Past President of the Roseville Chase Rotary Club, will be our Guest Speaker on a tragic and very personal family topic from the horror of World War II - **“The 1942 Bangka Island Massacre - My aunt, Nurse Bessie Wilmott”**.

Following Richard’s presentation, ANZAC Day will be further commemorated by the Ode of Remembrance (Noel Cislowski), the Last Post (Trumpeter Jonathon Ward) and the National Anthem.

Please bring partners, family and guests to recognise and remember the service and sacrifice of those who have served in times of war and other armed conflicts.

Members, please register the attendance of you and your guests on RSVP by 12 noon on Monday 15 April. Other guests will be most welcome and should book with Attendance Officer John Hartley (Mobile 0422 383 583) by no later than that date.

LAST MEETING - 26 MARCH

Maurice Marshan

“The Little Man v The State”

A practising lawyer for nearly fifty years, Maurice Marshan, who turns eighty in 2024, advocates mainly for the Italian community in the inner-western suburbs of Sydney.

In his talk, *The Little Man v The State*, Maurice cited acting pro bono for a pensioner who turned to him after receiving a speeding infringement notice detected by a speed camera. The pensioner didn't have the funds to pay for court representation and believed that he was innocent since he had dockets confirming that, at around the same time, he was at a service station filling up his car with petrol.

The conventional way of challenging such a fine is to obtain an expert opinion about the speed camera, but the cost of doing this was beyond the client's reach. Maurice then focused on an alternative solution and won. He challenged the time recorded on the speed camera and not the speed itself. However, the State's transport authority appealed to the Supreme court after not being satisfied with the first judgement. The outcome was the appeal judge also awarded Maurice's client his legal fees on top of waiving the original fine. What a great success for Maurice and his client!

We were also treated to a couple more dramatic cases involving a truck owner-driver with a stack of unpaid parking fines and separately, the same person's son for a drink-driving offence.

Maurice had much to share with us, so it looks like we'll have to invite him back again.

FROM PAUL FLETCHER'S COMMUNITY NEWSLETTER

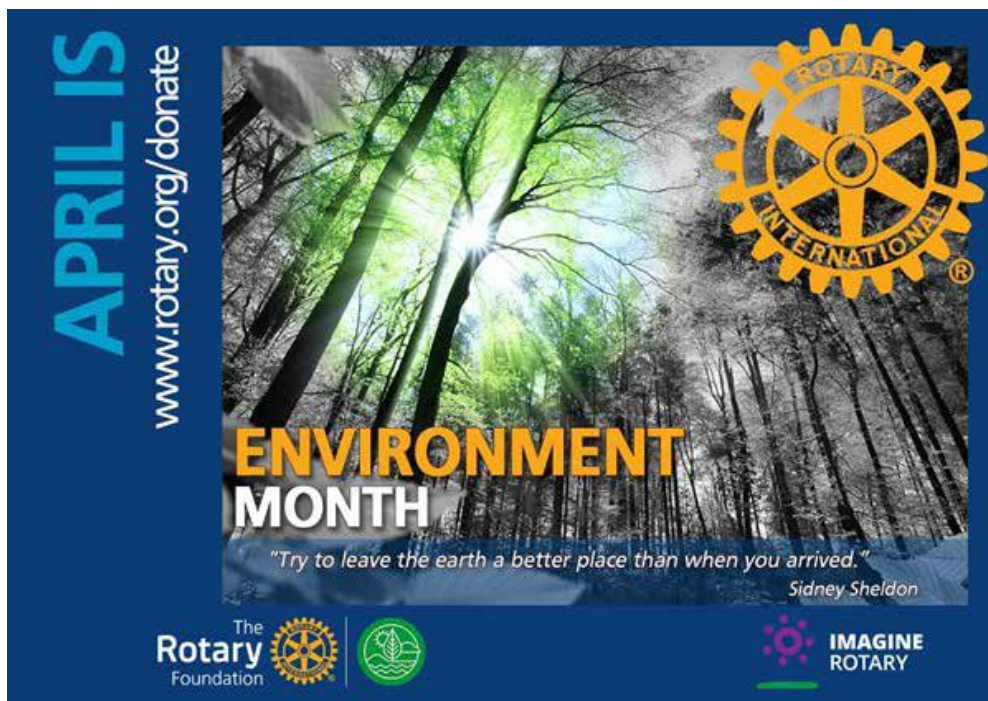

Clean Up Australia Day

I joined members from the Rotary Club of Chatswood Roseville and scouts from 1st East Roseville to participate in Clean Up Australia Day at Echo Point Park in Roseville.

Clean Up Australia Day is a very practical community event in which volunteers come together to find and remove rubbish. It makes a noticeable difference when a group of volunteers tackles a particular area.

ROTARY THEME FOR APRIL

Supporting the environment is Rotary's 7th area of focus. It joined peace-building & conflict prevention; disease prevention & treatment; water, sanitation, & hygiene; maternal & child health; basic education & literacy; and community economic development.

Rotary is committed to supporting activities that strengthen the conservation and protection of natural resources, advance ecological sustainability, and foster harmony between communities and the environment. We empower communities to access grants and other resources, embrace local solutions, and spur innovation to address the causes and reduce the effects of climate change and environmental degradation.

The Rotary Foundation in Foundation global grant funding has allocated \$18.4 million USD to environment-related causes in the past five years through their support of community economic development and water, sanitation, and hygiene projects. Our Water and Sanitation Global Grant with International partner RC of Fig Garden addresses sanitation issues which affect the environment in twenty-one remote villages in Northern Thailand.

Some of the ways we can work on environmental challenges by:

- Protecting and restoring land, coastal, marine, and freshwater resources
- Enhancing the capacity of communities to support natural resource management & conservation
- Supporting sustainable agriculture, fishing, and aquaculture practices
- Addressing the cause of climate change by reducing the emission of greenhouse gases
- Strengthening ecosystems and communities affected by climate change
- Supporting education initiatives that promote behavior that protects the environment
- Advocating for sustainable consumption to build an economy that uses resources more efficiently
- Addressing environmental justice issues and public health concerns

LETTER FROM SHELTERBOX CEO

Dear Rotary President,

I hope you and your members are keeping well.

Please find enclosed a copy of the 2023 Rotary Impact Report, illustrating how Rotary support has enabled ShelterBox to continue to respond around the globe. ShelterBox and its partners have continued to adapt and innovate to ensure that over 65,000 families (325,000+ people) received assistance, following disaster and conflict in 2023. It is only due to the support of clubs like yours that this is possible.

In the report, you'll read about our responses in Turkiye and Morocco, where Rotary involvement on the ground was essential. There is also news of our responses in Ukraine and across Africa and the evolution of our aid.

Right now, we have active operations in Gaza, Ukraine, Syria, Cameroon, Ethiopia, Nigeria, Yemen, Burkina Faso, Somalia, Chad, and Mozambique.

I hope you enjoy the remainder of your presidential year. We'd love to come and tell you all about our work. Please contact kiern.deutrom@shelterbox.org.au to arrange a guest speaker or Zoom presentation or visit our website to see how you can become involved.

Many thanks for your support

Yours in Rotary,

WORLD IMMUNIZATION WEEK — 24-30 APRIL

World Immunization Week — 24-30 April — is a perfect opportunity for Rotary clubs to share the incredible progress we've made toward eradicating polio.

This year features significant anniversaries to celebrate:

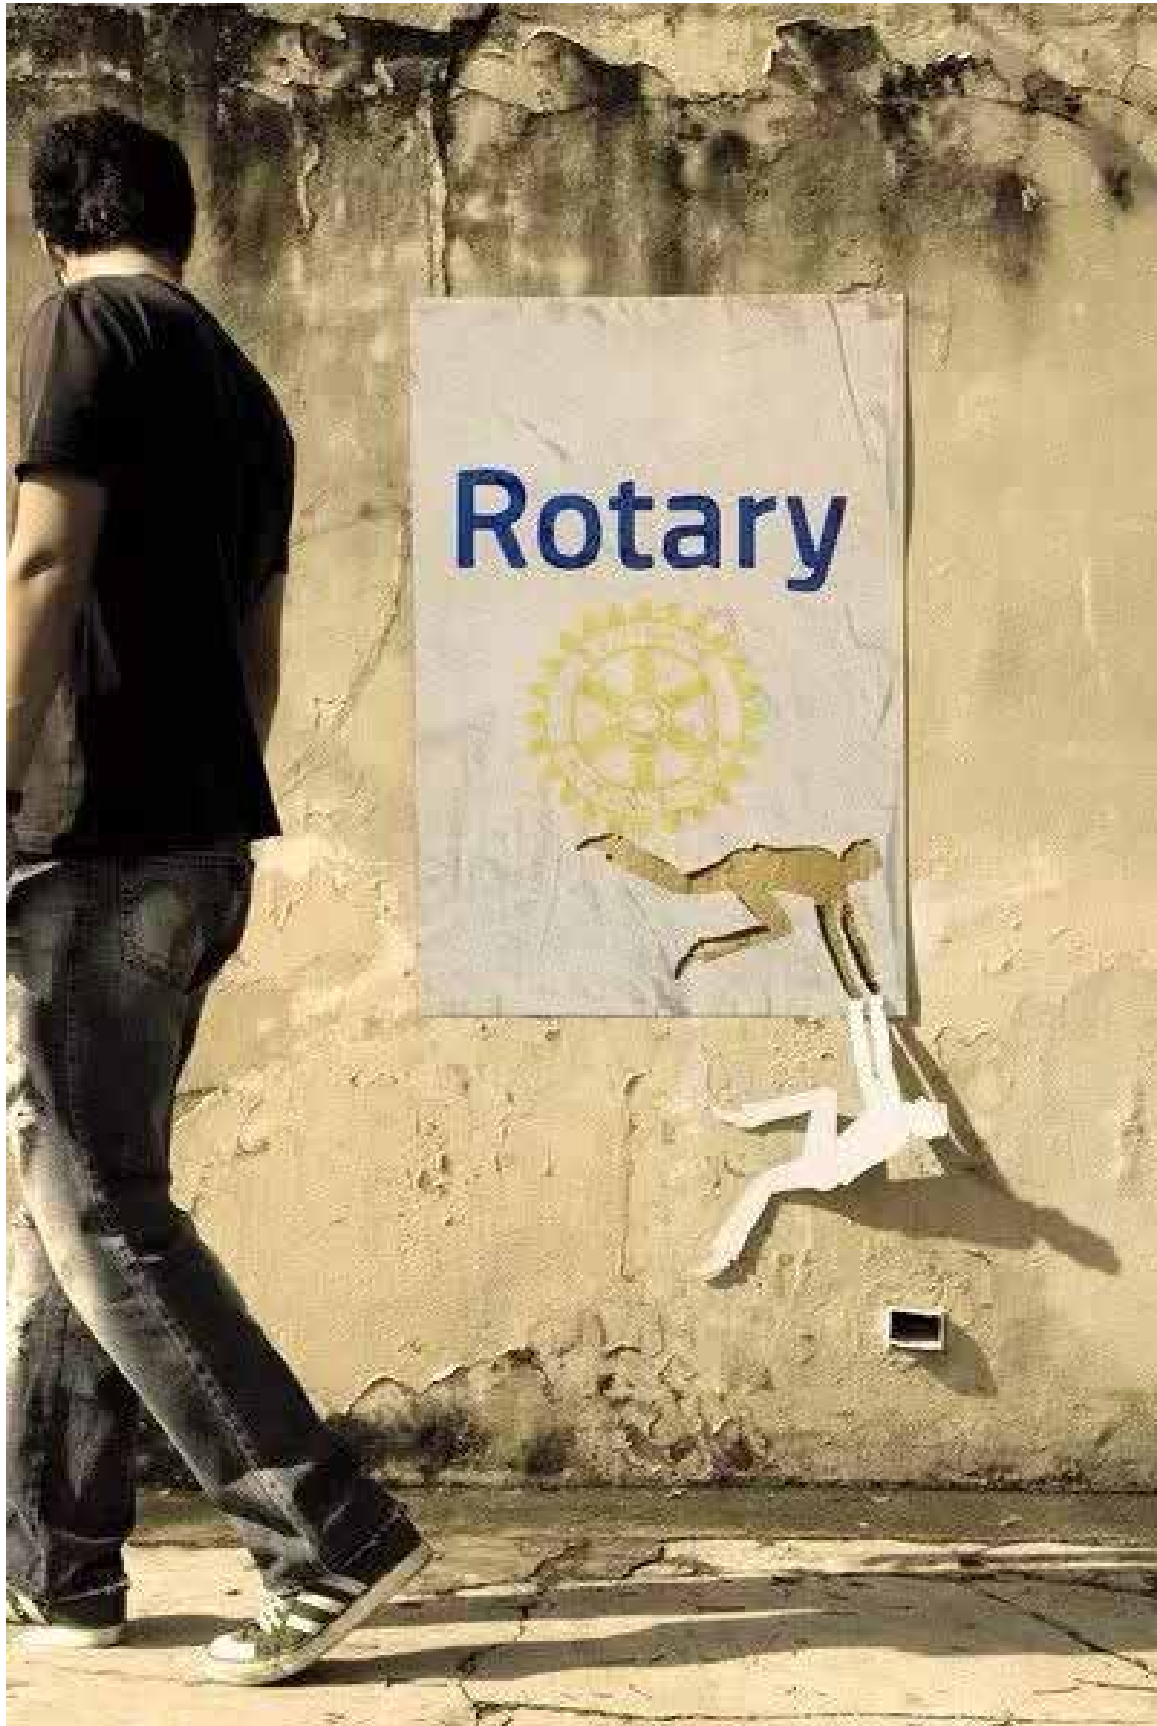

- 10 years since the World Health Organization (WHO) South-East Asia Region was certified free of polio
- 30 years since the WHO Americas Region was certified as polio-free
- 50 years since the launch of the Expanded Programme on Immunization, which ensures equitable access to vaccines (including polio vaccines)

As a Rotary member, you have a critical role in helping achieve important milestones like these.

We know our work isn't done until we end polio forever. During World Immunization Week, raise awareness about the fact that vaccines work and give as proof examples of what Rotary and our partners have accomplished in reducing polio cases worldwide.

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are one and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
