TONIGHT'S MEETING - 25 JULY 2023

Guest Speaker - Michael Kirby-Lewis

Michael Kirby-Lewis ('Kirby') is a highly experienced IT professional who, notably, for nine years from 2007 to 2016 was the Chief Information Officer (CIO) for the University of NSW.

Security has occupied an increasing part of Kirby's day job over the past 20 years. This experience includes recent work as CIO for GP Synergy from 2017-22 to gain certification under ISO27001, which is the international standard for information security.

In his talk, Kirby will provide us with a basic understanding of the technical components but will spend most of his time on the weakest link – the human factor. How hackers go about social engineering and what you can do to minimise your risk of being hacked or scammed. He will talk about the various kinds of hackers as well as some of the latest tactics being used. Hackers are no longer just focused on emails, computers and web sites – their exploits go much further than that.

Kirby has over 40 years' IT experience, mostly in Senior Management roles. He studied computer science in Christchurch, NZ, did his Masters at UNSW and has undertaken Executive programs at the Harvard Business School.

Kirby has worked in the Health, Manufacturing, Distribution, Consulting and Education industries within both the Public and Private sectors. He was President/Chair of the Council of Australasian Universities IT Directors (2014-16). He has a keen interest in developing leadership skills and was a member of the teaching faculty for the Australasian University Leadership Program (2013-19).

ATTENDANCE and APOLOGIES

Members must complete the **RSVP response**, or advise **John Hartley**, with your attendance, apology, guests, any special dietary requirements for you or guests, by the **Monday 8 days before a meeting** for catering purposes. If you fail to apologise you will be charged the cost of the meal. Visiting Rotarians, guests or Friends please advise **John** on johnehartley@me.com (0422 383 583), by the 8 days before a meeting you intend attending.

FROM THE PRESIDENT

Our club's focus is **FUN, FELLOWSHIP and FAMILY**.

FUN is what we experience at our twice monthly meetings. Our MCs are very entertaining and our Sergeants are merciless. We also have very informative and interesting guest speakers.

FELLOWSHIP happens between our members and families and between us and members of other clubs. We have organised dinners, joint meetings, theatre evenings and excursions.

FAMILY means we care about each other's mental and physical well beings.

All our projects and activities will have some or all of the above.

Let us work and enjoy this year whilst 'Create Hope in the Works'.

President Andre

NEXT MEETING - 8 AUGUST 2023

Guest Speaker - Don Napper

"The Sad Life of Francis Greenway, our First Government Architect"

Emeritus Professor Don Napper was educated at Sydney and Cambridge Universities in molecular chemistry. He retired from Sydney University in 2003 as the Pro-Vice-Chancellor (Sciences & Technology), where he is now Professor Emeritus.

Don will talk about Francis Greenway's life.

Francis Greenway's death sentence for forgery in England was commuted to transportation to NSW for 14 years. Governor Macquarie appointed Greenway as our first Government Architect in which role he designed some 80 buildings. Less than one-quarter of these remain today. After Macquarie left the colony, Greenway fell upon hard times. He died completely unsung and the location of his pauper's grave in the East Maitland Cemetery remains unknown.

Dee Why Beach to Newport Beach

ENTRIES NOW OPEN!

Rotary Clubs on the Northern Beaches are preparing for this year's Beach2Beach Charity Fun Run on **Sunday 27th August**.

With three starts – at Dee Why (13km), Warriewood (6km) and Mona Vale (3km) – the event is open to everyone, from serious runners to families with strollers.

All events end at Newport Beach where the Newport Community Festival will be held.

All entry costs for the Beach2Beach go to support charities, schools and organisations who help run the event, including the Surf Life Saving Clubs, Rural Fire Service and SES.

The generosity of our major sponsors United Resource Management (URM) and the Harbord Diggers make this possible. Competitors also raise funds for their own causes.

The event is organised by the Rotary Club of Warringah which is newly formed from the merger of the Rotary Club of Brookvale (which organised the Pub2Pub and now Beach2Beach for 29 years) and the Rotary Club of Dee Why Warringah.

To enter go to beach2beach.com.au

NUMBER OF NATIONALS TRAINED BY TEAM

Number of nationals trained by team: 3
Hours on average training each received: 90
Type of training received: Our team travelled for 15 days through rural Timor Leste providing voluntary dental services.
We are accompanied by three Timor Leste "dental nurses" who help us provide the necessary treatment.
An important part of our mission is to increase the skill and knowledge base of these young clinicians.
Training is accomplished by after hours tutorial style education which is then supplemented by clinical oversight and instruction during the working day.

PROJECT DESCRIPTION

Several dental teams travel each year to provide dental care to remote & rural communities in Timor-Leste & support East Timorese dental workers with training, equipment & mentoring. Rotary program, based in Maubara; Lions program, based in Dili.

WORK ACHIEVED BY TEAM

The team examined and provided timely dental treatment 1126 people in rural Timor Leste.

Importantly, it is a great opportunity to increase the clinical skills of our local colleagues so that they may provide better and a wider range of treatments to their local communities.

We saw many children with chronic dental pain which undoubtedly was affecting their ability to eat well and study effectively.

Treatment ranged from extraction of abscessed teeth, Silver Fluoride application plus restoration to halt dental decay, conventional restorations and dental scaling of teeth.

Our local colleagues were also able to provide oral health education individually and in classroom settings.

ACCOMMODATION DETAILS

Accommodation was sourced through the Carmelite Sisters in Maubara, the Jesuit Order in Railacao and Kassai and at Bethania in Maliana.

These places can organise food for a team.

Bedding and bathroom facilities were commensurate with where we were in rural Timor Leste with Bethania in Maliana better than the average.

Mosquitos were prevalent and nets, coils and medication is advised.

TRAVEL DETAILS

The roads can be hazardous, particularly after rain.

Don't drive at night and if not confident, employ a local guide/driver.

TOOLS, EQUIPMENT AND MATERIALS PROVIDED

Our team provided all tools and materials for the project.

Importantly, Rotary keep an office in Dili and Mario provides invaluable help in organising our local transport and customs clearances.

Can I ask that funding be maintained for this office as it is integral to our and other Rotary teams passing through.

SUMMARY/RECOMMENDATIONS

I believe that the Rotary office in Dili is integral to the success of our and other teams visiting Timor Leste.

It is important that funding be maintained to allow its continuation.

Rotary enjoys a good image in the regions we travel through and our team does its best to uphold the Rotary vision and publicise the organisation through our polo shirt logo's and conversations had.

I'd also like to acknowledge the good relationship we have with the Lions Club team with which we share a transport vehicle (Troopy)

MAJOR SPONSORS AND SUPPORTERS OF OUR CLUB

A PEOPLE-FIRST PHILOSOPHY

UNPARALLELED DINING, HEALTH & WELLBEING

Residents will have access to the restaurant and bistro, gym, hydrotherapy pool, movie cinema, wellness spaces and the Himalayas putting course. With our resident's health and wellbeing a priority at Watermark Residences, we are providing free and exclusive exercise classes that are tailored to retirees' needs, such as Yoga, Tai Chi and Aqua Aerobics.

CARE CONCIERGE

Your good health, wellbeing and independence are vital to leading a full and happy life. A Vitalis Concierge will be available onsite to residents who wish to address any concerns regarding personal health or home care, no matter how big or small.

DAILY COURTESY BUS

Our residents will enjoy access to a courtesy bus for transportation to local destinations including our local vibrant shopping areas in Chatswood and Lane Cove Village.

NO ELECTRICITY COSTS

Residents will never receive a power bill for their home. Solar power will generate 100% of the electricity for every apartment.

RESIDENTS KEEP 100% OF CAPITAL GAIN & FIXED FEES FOR LIFE

After deducting the deferred management fee, you keep the balance of the capital gain (unlike most other retirement operators). Our deferred management fee is one of the lowest in the industry at 25%. All resident monthly recurrent charges are fixed for life, providing comfort and security in an uncertain economic landscape.

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are one and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and
the opportunity to serve through Rotary,
we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
