

The Rotary Club of Epping

PRESIDENTS WEEKLY NEWSLETTER – 12 MAY 2016

INTRODUCTION

Dear members

My apologies for being off the radar this week.

My thanks to Graham Stevens and Ian Bittner for managing the meeting agenda and especially for facilitating the Club Forum.

Thanks to the members who attended the North Ryde Trivia Night last Saturday. I received a thank you from David Martin, President of the club, expressing their appreciation for supporting their function. Thanks to Deretta Andrews, Ian Bittner, Alan Cunningham, Julie Jones and Jessica Keast.

MONDAY 9 MAY CLUB MEETING

Thanks to members for their contribution to the Forum.

A more detailed report will be provided as soon as it is completed.

The presentation by the Rotary Club of Katoomba was a good opportunity to hear about other Rotary activities in support of the Rotary Foundation. The next scheduled trip the Katoomba Club is organising is to China in September 2016.

NEXT CLUB MEETING- MONDAY 16 MAY

GUEST SPERAKER- Therese Collignon, CEO, Macquarie Community College

Therese is a highly experienced leader in education in the tertiary and vocational sector.

It will be an excellent opportunity to hear from Therese about the developments at MCC.

How the College is seeking to be a first class community college providing a range of opportunities in an ever-changing education sector will be most informative.
