PRESIDENT'S REPORT

At my first meeting as the incoming President, we had 12 brave souls in attendance. Given the weather that shrouded the event I believe this a good number. Following Rotary Grace, in the absence of International Director, David Griffiths, Jack Hayhurst provided a Toast to The Rotary Club of Queens, New York.

An excellent meal of "Pot Pie" was provided by Chef Mark, which was given the seal of approval by all Members.

The Meeting, being a Club Assembly, provided an opportunity for the Board to inform Members of matters arising at the Board Meeting on July 1. Each Club Member was given an opportunity to have their say on items that may be of interest/concern to them in General.

A couple of the items were firstly, our International Sponsored Student, Brenda Joseph, who is now at University. Brenda is doing very well judging by the reports from The School of St. Jude. We have a recent picture for members.

Also Barry Henwood spoke about the 25 odd years of The Science & Engineering Challenge. Barry reported on the growing numbers of Volunteers for this event. The St Edwards Principal assured Barry of their support into the Immediate & foreseeable future.

This is very encouraging indeed & augers well for the

future.

We also have a Pic of this year's Volunteers.

Heads & Tails was won by Max Prince. The Card Draw was won by Jack Hayhurst who unfortunately, drew the 2 of clubs. We remind Members that the Card Draw is now worth over \$200 & would be a nice win.

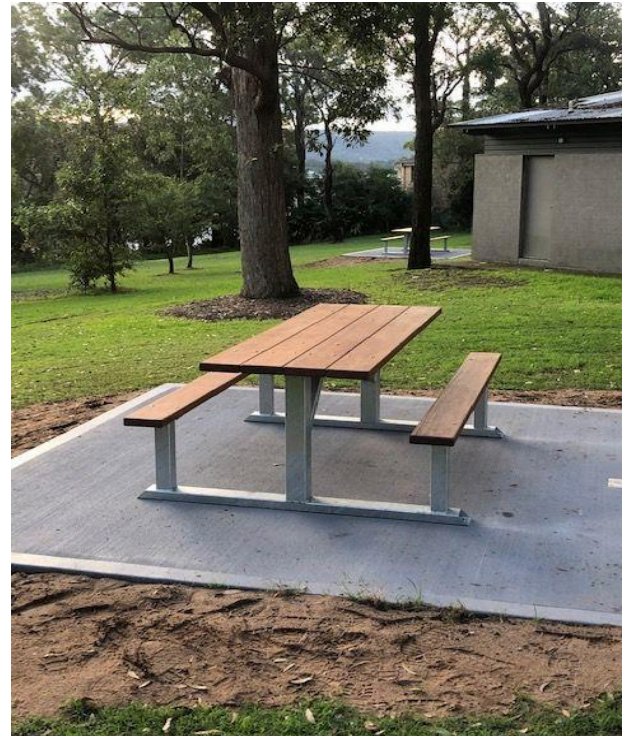

Jack Hayhurst provided an interesting Sergeants Session, in which we were challenged with some tricky questions. Well done Jack, who is making a good "fist" of his new role in the Club.

We also had some sad news that Max Richardson was again, back in Hospital & unwell. Please keep Max, Lovise & family in your thoughts & prayers.

4. Will it be **BENEFICIAL** to all concerned?"
