## FROM THE PRESIDENT'S KEYBOARD

Last week we enjoyed a mixed array of activities. Firstly, Jack Hayhurst assumed the role of sergeant and entertained us with some "clean" limericks. Then PP PHF Jim Katrakilis invented a new government ministry from our members - Jim, I am appointing you as the Minister for Bulldust.

Following on PP PHF Warren Bolton conducted an inquisition of President Elect PP PHF Neville Barrett where we learned about the many occupation roles Nev has had - few knew that Nev was a gun shearer from the bush in his younger days.

Finally, PP PHF Barry Henwood presented a look at the Science and Engineering Challenge with data and videos provided by the Uni of Newcastle.

Head & Tails was won by PP PHF Jim Katrakilis and Joker Draw by PP PHF Lester Marquet - no luck. Jackpot now stands at \$168.

### I need a front door for my hall

I need a front door for my hall  
The replacement I bought was too tall.  
So I hacked it and chopped it,  
And carefully lopped it,  
And now the dumb thing is too small.
