PRESIDENT'S REPORT

FROM PRESIDENT NEV

The meeting on March 12 had a reasonable attendance. Special guest presenter for this evening was our very own long serving Club Secretary, PHF Peter Moore.

Following Rotary Grace, President Nev provided the International Toast to the Rotary Club of Phnom Penh, Cambodia. This was following the Cambodian Government's Announcement that it hopes to have shut down all of the Country's notorious on-line Scam Centres by end April, 2026, as reported this week by the head of the South East Asian nations effort to combat Cyber Crime.

Special Minister Chhay Sinarith, in charge of the Commission to Combat On-Line Scams, informed The Associated Press that since July, the Government had targeted 250 locations believed to be carrying out the lucrative criminal activity, & has shut down 200 of them. He said that police would carry out suppression activities after April 10, to ensure that the Scam Centres don't reemerge.

FUN TIMES

Heads & Tails was won by Warren Bolton. The Card Draw was won by Chris Foster who drew the Four of Spades. The jackpot stands at over \$91.00.

SERGEANTS SESSION

PP Lester Marquet returned to the fray, fresh from his border crossing activities in Tasmania. Lester returned with another 'on this day' series of tantalising tasties. He still managed to ensure that we struggled with answers to his very well conceived questions. In the end, Lester again proved to grasp the upper hand & take the points for this round. But he hasn't won the fight just yet. I could see the conviction on members faces & am certain that everyone will be on their toes for this Thursday, no matter who the quiz master is!

GUEST PRESENTER

We were provided with a special treat this evening when PHF Peter Moore, regaled us with his own brand of Medico Manifestations as he took us on a trip from Sydney, to Far North Queensland, including Palm Islands' Aboriginal settlement, and back to Sydney! Peter described the positions that he held, & where he held them, from Intern to Resident to Registrar & through to Senior Registrar. He spoke about the sometimes calamitous situations, where the Hospital failed to have the appropriate equipment & the steps that had to be taken to ensure that proper patient care was administered in every situation. During all of this moving around, Pete managed to take further studies, worked in Veterans Affairs & took his Masters degree. Pete completed the final 20 years of his work life in Palliative care. You'd agree. A great story of servitude! Bob Thomas gave the Vote of Thanks.
