## PRESIDENT'S REPORT

### FROM PRESIDENT NEV

The Meeting on 27 November had reasonable attendance.

Following Rotary Grace, President Nev toasted The Rotary Club of Tai Po, Hong Kong. This was due to the devastating fire in the Five Towers in the Tai Po District on 26 November 2025. The death toll now stands at 151. The use of Bamboo Scaffolding & polyester screening has been identified as the main reason for the deadly spread of flame.

### FUN TIMES

Heads & Tails was won by David Boardman. The Card Draw was won by Chris Foster, who drew the four of Hearts. I can advise you that the jackpot stands at \$38.00.

### SERGEANTS SESSION

Jack Hayhurst provided a really good Sergeants Session, covering a wide range of topics. As has been the case, Jack provided much food for thought with his

questions, which in the end proved to be a tad beyond us in some respects. Although, Secretary Peter Moore saved the day on several occasions with correct answers to many of the puzzling questions. Thank you Jack for yet again providing an entertaining, interesting & humorous session!

A cross fine provided by Don Wiseman proved to be a well enjoyed tale indeed.

### SPECIAL GUESTS

Special Guest Speaker was PHF Peter Moore who presented a very good overview on the difference between Fission & Fusion.

With his PowerPoint assistant, Pete explained the raw difference is that Fission is the splitting of a large Atom as in the case of the Hiroshima & Nagasaki bombs, & Nuclear Power stations. Whereas Fusion is the joining of smaller Atoms & provides power such as is provided by the Sun & Stars.

As well, Fusion would be an ideal replacement in the long term due to its availability, & this makes it the preference of many scientists, as the best option for

long term, safe power, should it be able to be correctly harnessed!

The Rotary Club of Gosford has several members who have provided great presentations on a myriad of topics over the years, & Pete was responsible for a clear, concise, professional & well presented talk which was in-line with those great ones of the past!

There were many questions from the members indicating their interest in this very popular subject!
