## SERVICE ABOVE SELF

Rotary's motto is '**Service above Self**' and our club offers opportunities for our members - and those interested in making a difference - to get involved.

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds converge.

Through volunteer projects, meetings and social events our members learn about the issues facing our community and communities all over the world. We partner with local, national and global experts to exchange ideas about potential solutions and to draw up action plans to respond.

We come together representing different professions, trades, experiences and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

Along with the opportunity to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

## OUR EVENTS AND ACTIVITIES - MAKING A DIFFERENCE

Solving real problems takes real effort, commitment and vision. We are working with various partners on the following projects:

- Kincumber Neighbourhood Centre - **Breaky club**
- Local schools - youth exchange, leadership and citizenship programs
- International Wheelchair Project in Fiji - helping the disadvantaged
- Ending Polio — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization and UNICEF to end polio once and for all.

### Events

- 1st Sunday in May - Annual Shipbuilders' Heritage Walk - a local community event showcasing our history
- Early December - Christmas Tree Sales to support Grandparents raising Grandchildren
- Annual Raffle - to support programs for local youth and schools
- Dinners and fundraising events to support our local and international projects in Fiji, Cambodia and other developing countries.

## JOIN US - GET INVOLVED

Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, consider our environment and make our community and the world a more peaceful place.

We invite you to visit our club and find out more about us and the opportunities we offer to contribute as part of a team.

Our members have found that it's a truly rewarding experience!

I want to leave footprints in the sands of time and help make a real difference in the world - Rotary is a great way to achieve this.  
PP Fraser McBride - Club member

From the outset I met people and had amazing experiences simply because I was a Rotarian.  
PDG Graeme Davies - Club Member

Rotary is my way to 'give back'. There are so many opportunities to become involved, meet new people, have fun and contribute .
