Dear Ms Brus,

Re : Charity Use of Civic Centre.

As you know , we Rotarians raise charitable monies for a whole range of community, Australia, and International Causes. We would like to hold an Antique Fair as a fundraiser, since they are able to generate good returns. Our Charitable Number is C... This would require a venue with large floor space, that has exposure and accessibility. The Civic Centre is such a venue. Others in this area are privately owned and too expensive, since we attempt to limit the % of costs per \$ raised to absolute minimum. We therefore request that Council consider sponsoring this effort by donating the venue fees. As the major Sponsor, Council would be acknowledged in all advertising which is to include the local press, 5,000 flyers and shop signs with 2 large banners. The dates mooted are...

Yours sincerely,
