PRESIDENT'S MESSAGE:

LAST WEEK'S SPEAKER, BASIL van ROOYEN

"My motor racing career and my patented engine technology invention"

We enjoyed a delightful talk by Basil as he took us on his journey as a leading racing car driver over a period of many years.

His outstanding achievements were in a variety of cars in South Africa. He also raced in two Formula One World Championship Grands Prix races in Europe. Having been an inventor over a number of years Basil put his mind to designing a compact design Two-Stroke engine that offers more power and less weight compared to Four-Stroke engines. Basil even brought along a see-through model of his invention.

The mechanically minded stayed back after the meeting and enjoyed an explanation on how the engine works. His objective is to have a manufacturer take up his invention and put it in production, presently there are more funds required for Research and Development to make this a reality.

Basil van Rooyen with President Silvio Gmur and Rotarian Jeff McDougall

THIS WEEK'S SPEAKER, SUSIE FENNEL,

My famous Father, Willie Fennell: Willie Fennell was a comedian who worked with Jack Davey and "Mo" in radio shows such as "Calling The Stars" and "The Colgate-Palmolive Show".

He then went on to write, produce and star in Australia's most popular and enduring radio situation comedy, "Life With Dexter" which ran for over ten years. Later in his life Willie starred in many stage shows, movies and television series. He received the Order of Australia for his contribution to the Entertainment Industry.

'Ow Are You Mate'. .

Humour by Geoff Pritchard

A New York attorney representing a wealthy art collector called and asked to speak to his client.

"Saul, I have some good news and I have some bad news."

The art collector replied, "You know, I've had an awful day, Jack, so let's hear the good news first."

The lawyer said, "Well, I met with your wife today, and she informed me that she has invested only \$5,000 in two very nice pictures that she thinks will bring somewhere between 15 to 20 million dollars ... and I think she could be right."

Saul replied enthusiastically, "Holy cow! Well done! My wife is a brilliant business woman, isn't she? You've just made my day. Now, I know I can handle the bad news. What is it?"

The lawyer replied, "The pictures are of you and your secretary."
