PRESIDENT'S MESSAGE:

Unfortunately the Crows Nest Market was washed out with only a handful of stallholders in attendance. For a while it looked like I would not have to offer to buy coffee which is something I do between 10am and 1010am and that was until David & Toni Field arrived.

On Thursday we will have a Board Meeting following our regular Meeting and all members are welcome to attend.

Board Members are reminded to register for District Assembly which will be held at Quakers Hill on Sunday April 14.

This week we will hear from Libby Kells who attended the National Youth Science Forum early in the year. We will also hear from Andrew Long on the proposed formation of the Rotaract Club of North Sydney.

Peter Lulic and Lily Clarke will be taking your money at the door.

Look forward to seeing you at 12.30pm

**‘Keep It At Kennards,
The People Who Care’**

Humour by Geoff Pritchard

For those of you who watch what you eat, here's the final word on nutrition and health. It's a relief to know the truth after all those conflicting nutritional studies.

1. The Japanese eat very little fat

And suffer fewer heart attacks than us.

2. The Mexicans eat a lot of fat

And suffer fewer heart attacks than us.

3. The Chinese drink very little red wine

And suffer fewer heart attacks than us.

4. The Italians drink a lot of red wine

And suffer fewer heart attacks than us.

5. The Germans drink a lot of beer and eat lots of sausages and fats

And suffer fewer heart attacks than us.

CONCLUSION:

Eat and drink what you like. Speaking English is apparently what kills you.
