PRESIDENT'S MESSAGE:

Last Saturday was a lovely day for the Crows Nest Markets. I would like to thank David Field and The Tokens for entertaining the public.

What is a D-Caf Dementia Café?

On Thursday Fiona Jenkins (AG for the North Shore) will tell us that a Dementia Cafe is a weekly meeting place for a small group of people living with dementia and their family caregivers who are still living within the community.

A Dementia Café aims to provide a safe environment where people who have memory loss and their caregivers can relax and socialise.

How could our Rotary Club start and run a successful D-Caf within our community.

We will find out on Thursday.

The Red Shield Appeal is almost with us (Sunday May 26) and by now Tony would have given you your role. I will be co-ordinating the Car Drivers so watch out. Many thanks to Debbie and Romona from the Salvation Army who spoke to us last week so we should all know what we are to do.

Look forward to seeing you at 12.30pm on Thursday.

Humour by Geoff Pritchard

Good-bye Grandpa

A father put his 3 year old daughter to bed, told her a story and listened to her prayers which ended by saying, "God bless Mommy, God bless Daddy, God bless Grandma and good-bye Grandpa."

The father asked, 'Why did you say good-bye Grandpa?'... The little girl said, "I don't know daddy, it just seemed like the thing to do."

The next day grandpa died. The father thought it was a strange coincidence.

A few months later the father put the girl to bed and listened to her prayers which went like this, "God bless Mommy, God Bless Daddy and good-bye Grandma."

The next day the grandmother died.

"Holy crap" thought the father, "this kid is in contact with the other side."

Several weeks later when the girl was going to bed, the dad heard her say, "God bless Mommy and good-bye Daddy."

He practically went into shock. He couldn't sleep all night and got up at the crack of dawn to go to his office. He was nervous as a cat all day, had lunch and watched the clock.

He figured if he could get by until midnight he would be okay. He felt safe in the office, so instead of going home at the end of the day he stayed there, drinking coffee, looking at his watch and jumping at every sound. Finally midnight arrived; he breathed a sigh of relief and went home.

When he got home his wife said, "I've never seen you work so late.

What's the matter?"

He said, "I don't want to talk about it, I've just spent the worst day of my life."

She said, "You think you had a bad day, you'll never believe what happened to me. This morning my golf pro dropped dead in the middle of my lesson!"
