District Conference/Verification Officer & Project 90+: Denis Booth
Rotary Foundation: John Taylor **Bulletin Editor:** Mal Sharpe

President's Message:

The month of September is looking exciting !

It was our pleasure to welcome our District Governor Kalma McLellan to our meeting last Thursday, and we look forward to sharing her Rotary vision for achievement over the next 12 months.

Also attending our meeting and always welcome was Assistant Governor Ward Pollard and Ryde Rotarian Geoff Brennan.

Geoff reminded us of the importance of attending the upcoming District Conference in March 2020 in Wollongong. Robust discussions and feedback on this important event followed and your support and attendance at the conference would be great.

September looks exciting and busy with excellent Guest Speakers on the list, a Board meeting on September 12 and working on our target goals for achievement during this month.

DG. Kalma McLellan, Geoff Brennan and President Lily

from the Parliament of New South Wales,
Sydney Australia

PARLIAMENT OF NEW SOUTH WALES, SYDNEY, AUSTRALIA.

Dear North Sydney Rotary
Happy 91st Birthday!

Congratulations on
reaching another milestone in
serving our community
Felicity

President's Message cont.....

Special Guest—Exchange Banner

A warm welcome to our Rotary Guest
Harikrishnan Srinivasan from The Rotary
Club of Madras Coromandel, India.

Fundraiser News

It's official!

I've been dreaming about this for a while and now it's finally going to happen! The official go ahead has come through to open a new secondary school for girls – and we're doing it in January!!!

You probably think we don't know when to stop, I sometimes wonder that myself! This is a really important next step for St Jude's though, a chance to make an even bigger impact than we are already.

By reconfiguring our current boarding and school facilities, we can turn part of our Sisia Primary Campus into a girls' secondary school, which in time, will cater for nearly 600 students. More students will get a free, high-quality education at St Jude's and we're so excited about what this means for Tanzania.

Because of the new school we'll be increasing the number of students who can graduate Form 6 and, in particular, increase the number of girls getting a secondary education.

Currently, when students are selected from government schools to St Jude's at the beginning of secondary school (Form 1), at least 60% are boys and for selection to A Levels (the last two years of school), it's more than 80%. As you go up the levels, there's less and less girls staying in school. That means by Form 5 there are fewer girls to invite to sit our A level entrance exams and less girls being offered St Jude's A Level scholarships.

By increasing our intake of girls into secondary school, St Jude's can help stack the odds in their favour, in a country where girls from a poor rural background will only receive 3.7 years of schooling on average. And it's pretty hard to argue with the mountain of research about the MANY benefits to families and communities in having educated women.

This means there'll be more girls in secondary school, more graduates and more future leaders because of St Jude's each year.

Thank you for your support so far, it's what has given us the confidence to embark on this expansion. I can't wait to keep you updated on our progress in the next few months.

Gemma
