### President's Message:

Our Guest Speaker this week was Alacoque Welsh from the Rotary E-Club of Greater Sydney. Chartered in 2011 they have 35 members and 1 Honorary member. The members are based in Canberra, Taree, Central Coast, Zambia, Kenya, Blue Mountains, Tea Gardens and various suburbs throughout Sydney. Part of our District 9685 the Rotary E-Club of Greater Sydney is the largest financial contributor to the Rotary Foundation through the Paul Harris Society.

The Rotary E-Club of Greater Sydney meets every 2 weeks through zoom. They support various projects within NSW ie Bunnings BBQ in the Blue Mountains with funds raised going to MUNA and RYPEN. Overseas Projects conducted and self-funded include Sewaid Fiji and Days for Girls both in Fiji and Cambodia. Alacoque has been supporting these projects for a number of years with well known PDG Tony Castley OAM of Sewaid International who conducts workshops in a number of countries. Also another member conducts the well known School for Life in Uganda. The E-Club sponsors a student at the School for Life. Barbara Parkins runs a school in Kenya and has many students living in her home. Dave Rickards from DAK Foundation sponsors projects in PNG and Nepal, and the Green Games in Timor Leste is organised by member Judy Charnaud.

**"For Good Food, Good Fellowship and  
the Opportunity to serve through  
Rotary, we give thanks".**

## President's Message: Continued

All up the E-Club has 11 active RAWCS registered International Projects as well as several new initiatives underway.

The first Rotary E-Club was chartered in January 2002 and in 2003 Charter President John Minter, President-elect Chris Joscelyne and President-nominee Gerry Roberts reviewed and made significant changes to the concept and introduced a model that became the operational benchmark of the existing Rotary E-Clubs we know today.

The purpose of a Rotary E-Club is to accommodate business, professional and community leaders all around the world who are unable to meet traditional attendance requirements for any reason reasons, eg travel frequently, busy schedules, live in different places throughout the year, have limited mobility etc. E-Clubs are a lot like other Rotary Clubs, they meet weekly, carry out service projects, support the Rotary Foundation and socialise with each other using Webinars, video-conferencing, message board, instant messaging, and tools like Skype

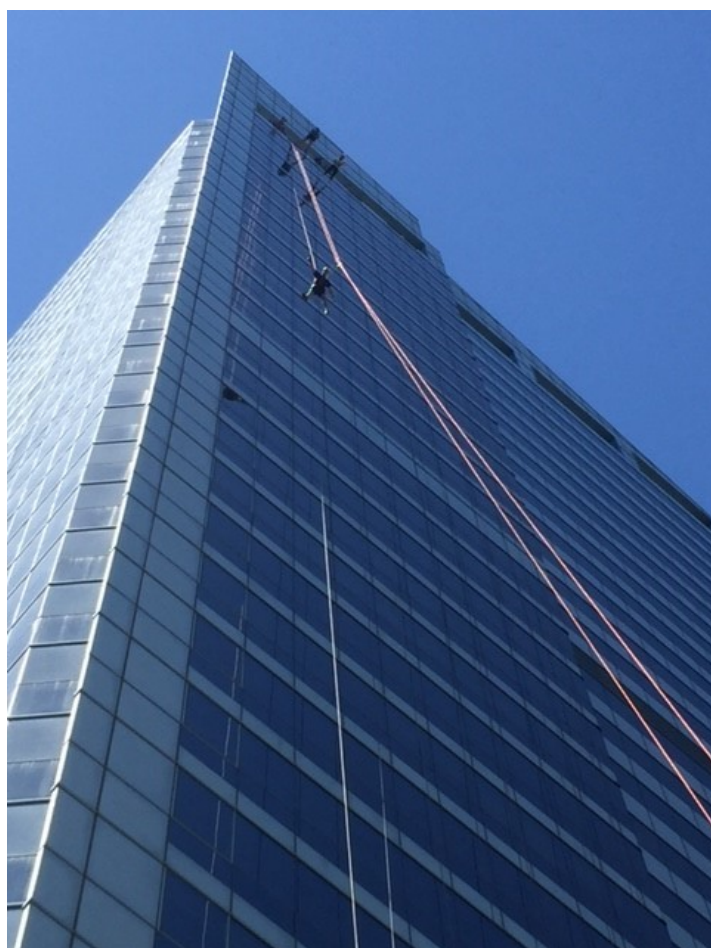

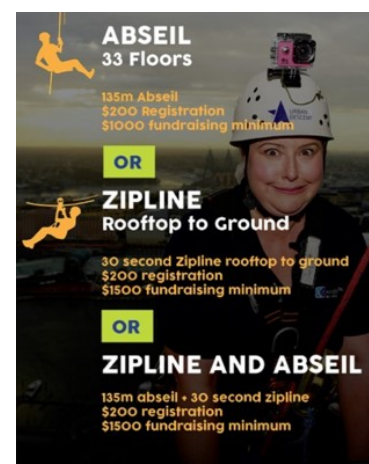

There are 16 E-Clubs globally with no tangible base but each of them are attached to a Rotary District. A resident of a country which does not have a Rotary Club cannot be a member of an E-Club

## Abseil for Youth – Sir David Martin Foundation

I attended this event on Friday, October 18 and met some of the wonderful people who work so hard for this terrific cause.

Their target this year was to raise \$300,000

It was great to watch various participants abseil down the 33 floors of 1 Market Street, or Zipline down. For the people who like to keep their feet on the ground there was the option to have a Virtual Abseil Experience!
