Christmas is coming.....Let's not forget our Farmers

Our Club Members will be celebrating Christmas Luncheon at the private residence of one of our members. The Rotary Club of North Sydney is supporting the Farmers in the Scone area by providing a \$5,000 donation raised from public contributions from the Jumping Castle we provide at the monthly Crows Nest Markets, and funds accumulated in our Fundraising Account. This donation will be used for stock feed. We have been gathering community gifts from various locations of our Tree of Joy. Jenny Thomas will be delivering these community gifts received to the Farmers in the Scone area.

District support day for
Purple House.....more
details will follow soon

The Purple House story begins with some magnificent paintings...

Thirty years ago, Pintupi people from the Western Desert of Central Australia began leaving their country and families to seek treatment for end-stage renal failure in Alice Springs or Darwin. Far from home, they suffered great loneliness and hardship, and weren't around to pass on cultural knowledge in their communities.

So they decided to do something about it.

In 2000 Papunya Tula artists from Walungurru and Kiwirrikurra developed four extraordinary collaborative paintings which were auctioned at the Art Gallery of New South Wales on 11 November 2000, which along with a series of other work, raised over \$1 million. That money started the Western Desert Nganampa Walytja Palyantjaku Tjutaku Aboriginal Corporation, now called Purple House, which developed a new model of care based around family, country and compassion.

Run from its headquarters in a suburban house in Alice Springs, [Purple House's mission](#) is 'Making all our families well'. Flexibility and cultural safety is at the centre of everything we do. It's the 'Purple House way'.
