President's Message:

Dear Rotarians,

It should not amaze me but it continually does when I see Rotary in action. **The Red Shield Appeal** was conducted over the past weekend and our club was very involved for the North Sydney area. Diligently led by **Tony D'Arbon** and many members the day ran as clockwork and a great result was achieved. I know Tony will thank everyone involved but my thanks must go Tony and to the members who attended. The students came from North Sydney girls and North Sydney boys and all were eager to walk the streets for a good cause. I Loved chatting to them, all in year 10. A credit to their schools. Shore School was also involved during the past week.

Derek Andrew's talk last week was very enjoyable and so interesting viewing the various walks across Spain, Portugal and France and his future walks in Italy. So wish I could be there too!

Your invitation to the **Changeover lunch and Pride of Workmanship** will be sent soon. Please reply asap and do invite partners and friends. Than you to Lily Clarke for her organisation for this event. I really can't believe a year has gone by .

Can I remind **Directors to send their reports to Jenny so that she can compile the Annual Report. Thank you for this.**

Enjoy this beautiful weather.. I love winter!

Take care!

DEREK ANDREWS LAST WEEKS GUEST SPEAKER

Last weeks guest speaker past member and president of our club and present member of the Rotary Club of Mosman gave us a fascinating discussion on the various walks that he did in Europe and the IUK after he had a total knee replacement here in Sydney.

Derek showed us maps and photos of his various completed walks and told us that he normally walked 30kms a day and that accommodation varied for country to country starting with twin bunks in Spain to much nicer accommodation in France with better meals in France as well.

We were amazed at the length and duration of his various walks and we enjoyed his presentation immensely.
