

CHARTERED 16TH AUGUST 1928. CLUB NO. 18035, DISTRICT 9685.

(Please Note: No meeting on the last Thursday of each month). ISSUE NO 4069 Thursday 29th July 2021

President's Message:

Dear Rotarians,

I was very pleased with our first zoom meeting last week. It was so pleasing to see everyone. Thank you to those who attended and I hope you will all be available this Thursday at 1pm. We will have meeting formalities until 1.10pm then our guest speaker Joe Hockey will attend the meeting. Joe will speak for about half an hour and then leave say 10 minutes for questions. I have suggested he speak about his time in the USA and as Australian Ambassador to the US, his thoughts on the Covid-19 situation and where he sees Australia in the next 10 years. I am sure Joe will entertain us well.

I inadvertently missed the DG'S Presidents' zoom meeting last Saturday morning but have received the minutes. Basically DG Lindsay May would like Presidents to encourage club members to use the RI website more and become familiar with many of the courses available to Rotarians, especially Club Runner and use more of its functionality. So if you have a few spare moments have a browse thru the RI website! When we are face to face again we can all look at the website and view it together.

Geoff P was missing last week due to his ongoing melanoma fight but he assures me he is fighting fit and will be on zoom this week. David F had a BCC removed from the side of his face as well this week. Skin cancer is not a nice cancer!

SERVE TO CHANGE LIVES

President's Message: continued..

I am trying to finish the Mosman jigsaw puzzle.. it isn't an easy activity. I seem to lose interest quickly. I have just finished a great novel American Dirt.. a family trying to escape to the US with the Cartels close behind. Such an unwelcome and dangerous place. Thank goodness for the Olympics in this lockdown.. something new to view and cheer for!

Lily C has given us her activities in lockdown and JT has provided some reading regarding the Rotary Foundation. Thank you both. And thank you to Elaine, Geoff and Mal for your input to lockdown last week.

So I will see you all on zoom this coming Thursday 29th July@ 1pm.

Take care

Toni Field OAM

This is the important message we are living with at the moment, let's hope if everyone does the right thing regarding restrictions, it won't be for too much longer.

All the cupboards have been cleaned out, St Vinnies is in for a treat when the wardrobe clean-out is finished and Billy our dog can't believe his luck with all the exercise and training he is receiving!

We're trying to stay positive and plan a few trips away when restrictions ease.

My niece had a birthday last week and Bruce had a birthday this week, both celebrated via technology.

For us, it's important to stay in touch with family and friends.

Take care, stay safe.

The Centurion Program.
