## President's Message:

Dear Rotarians,

Rotary research suggests that the best guest speakers often come from your own members. This was absolutely true at our last zoom meeting where Sam showed us some ins and outs of zooming techniques and assisted us to investigate all the stored knowledge that is within our social media outlets in FB and the club's WEBSITE. Thank you Sam for stepping up to the breach and enlightening us all. I hope everyone will take a moment or two and browse thru the website. There is much to take in.

**Sam and Lily Clarke** are organising the future **International lunch for next year but want to start by organising a raffle that can be sold at the Markets**. So in their wisdom they approached me to affirm their sale purchase of a bar refrigerator which they will fill with good wines and offer it as a raffle prize. A great idea and we have some wines not used at the Changeover dinner to use. So lets hope the markets open soon.

I hope everyone has had the opportunity to donate to Rotary Health and have your hat ready for this week's zoom meeting. Hopefully this will be our last zoom and we will be able to meet at Norths the following week suitably distanced. Ross may have the information on Thursday. At our last meeting Lily Clarke suggested we offer a gift to our local health care workers to say thank you for their care and vigour. I think this is a very worthwhile task and the idea of offering a Christmas cake or pudding or a bottle of wine duly gift wrapped would be acceptable. I hope you all agree. We could have a working bee to organise and I am sure we would have many offers of help to deliver. We are surveying costs at present. I have ribbon and cellophane organised.
