Acknowledgement of Country.

The Rotary Club of North Sydney acknowledges the Cammeraygal people on whose land we meet each week and continues to foster friendship and service to the community. We pay our respect to past and present elders and emerging.

President's Message:

Dear Rotarians,

It will be so good to be back at Norths this week and continue what the Club does best. As has been said so many times before it is challenging times for service clubs but we will do our best. Many clubs are meeting fortnightly and numbers are seemingly low due to Covid. But here we are ready to begin the New Year positively.

Happy Chinese New Year to all . It is the year of the TIGER..how many of us have this sign?

The Lee's family have had some sad times with deaths in the family and have decided to postpone the International lunch until April as they are grieving family members. Our condolences to you all.

Our guest speaker this week was to be Peter Lulic but unfortunately he has a business appointment and so will speak later in the month. David is searching for a speaker to replace Peter. It seems many speakers are either ill or just missing!!! The weeks following we have 2 very interesting speakers you will not want to miss! I will let you know next week.

"For Good Food, Good Fellowship and the Opportunity to serve through Rotary, we give thanks".

SERVE TO CHANGE LIVES

President's Message continued:

Ross is appealing for members to pay their half yearly dues by this Thursday. You can pay Ross on Thursday or pay online to the account.

BSB 062217

A/C 10042132

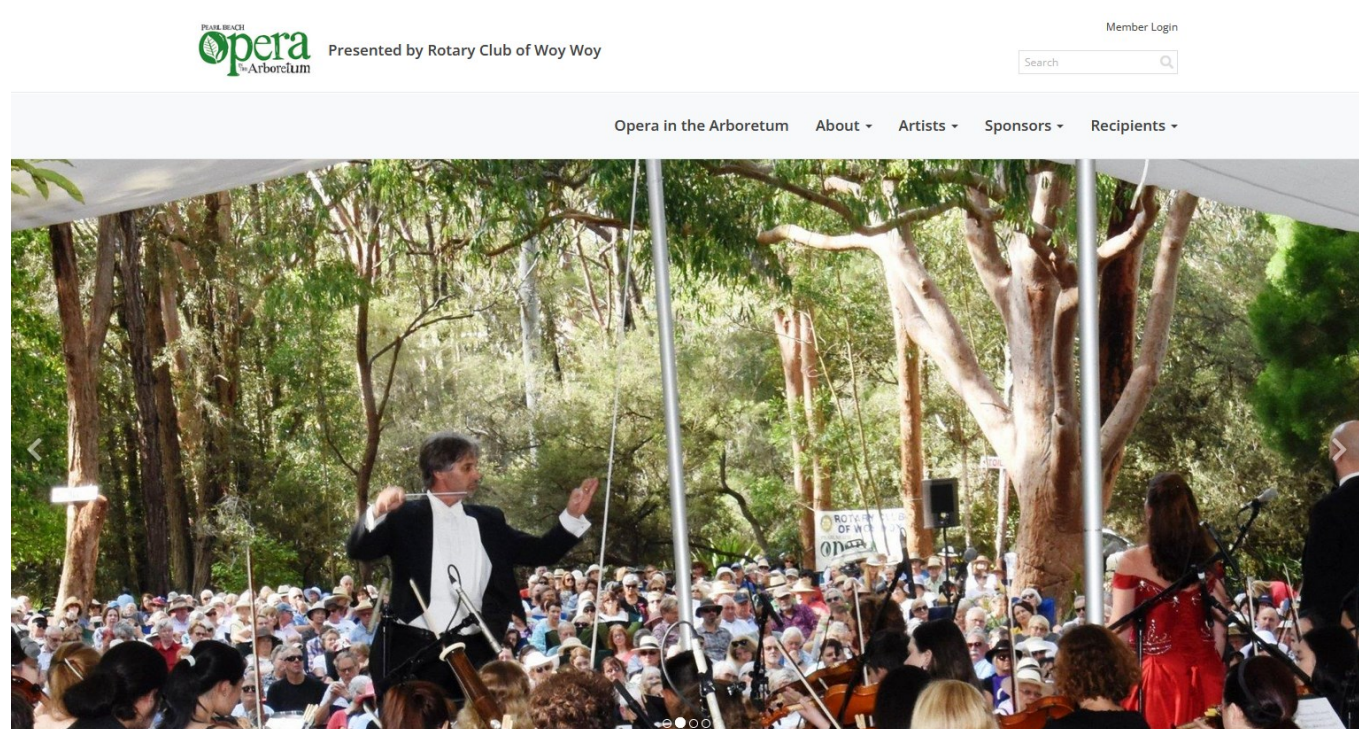

Many thanks. Prompt payment helps Ross organise the accounts.

I will hand out and also send a calendar for meetings and events this week. Can I once again remind members to make every effort to attend the meetings as it supports the ideal of Rotary of providing service to the community and self.

Happy birthday to my dear husband **David! 80 years young today February 1st**! Of course I am so much younger! Where have all those years gone?

Take care

Toni Field OAM
