President's Message:

Dear Rotarians,

This is my second last newsletter as President and I am not counting but thinking how quickly the year has flown by! Especially this past 6 months. Arrangements are in place for a lovely **Changeover dinner** so I hope you have replied and are looking forward to meeting our PRIDE OF **WORKMANSHIP AWARDEES** and welcoming **Geoff** as our new President.

Our guests **Harden and Gail Erskine** enjoyed the fellowship at our meeting last week. Harden is a member of Sutherland Rotary. He told us that they meet twice a month for a meeting, have one Board meeting a month and a social night once a month. It is interesting how some Rotary Clubs meet.

They thoroughly felt very welcome and thought we were a very friendly club! Gail who is President of the Children's Book Council Association of NSW gave a brief overlay of the Associations history and goals and was very appreciative of the **\$1000.00 donation** towards the **Collide competition for students from years 3-9**. This is our second year of sponsoring the event.

The Board has approved sponsoring a student for the **National Science Forum** and for a team to attend **MUNA**.

This week's guest speaker is **Rob Emerson who is Director of Open Space with the North Sydney Council**. Rob will tell us how he tries to please all facets of sporting groups, gentle exercisers, marine parkways, playgrounds and how the council will plan for future development in the area. It will be an interesting and informative talk.

President's Message Continued:

I hope everyone is keeping warm and cosy. I am making parsnip and pecorino cheese soup today and carrot and ginger soup. I love soups!!

We have been minding teenage grandchildren. It's another world! One that I had forgotten!

Take care

Hi friends,

The Red Shield Appeal is quite different this year.

There will be no Doorknock as we have previously known it - and the strategy is to move to a 'Digital Doorknock' where the potential donors be contacted via email inviting them to donate by responding to a website.

The Appeal for donations on the Red Shield Platform invites Rotarians and other interested persons , is to log in to the URL for the donations has previously been notified in COGS 25 May 2022 -

<https://tinyurl.com/y2xmovfw>.

Donate Now!!!

The process for digital donations now is to take place until the end of June, is to allow the opportunity to take advantage of the tax free receipt for Rotarians (and others).

When people are pushed so far out...

...you help them find a way back in.

Please support the 2022 Red Shield Appeal today.
