President's Message:

Not much of interest happened this week but just a couple of things to report.

I spent Saturday morning at Bunnings Artarmon helping on the sausage BBQ for Crows Nest Club. Wow, What a well-oiled machine. It takes a minimum of 4 Rotarians to run it plus an extra 2 from about 11am till 2pm. The extra \$1 for the cost of the snag doesn't seem to have slowed down the customers. Once it starts to get busy after about 9am it really is flat out. They normally sell about 800 snags each Saturday. Can you imagine what a stack of 800 snags looks like? Because many charities have pulled out in recent times (due to the lack of profitability selling the snags at the old price of \$2.50 each). But, Crows Nest have a permanent booking every second Saturday and are sticking to it. A very professional operation.

The guest speaker at this week's lunch will be the charming hostess for our meeting lunches, Robyn Hamilton. Robyn is obviously very suited for this position having flown with Qantas for many years. But, that's not all. Robyn has had a very interesting life before and after Qantas and we can look forward to hearing all about it on Thursday.

Kind Regards

Geoff Pritchard OAM

As his talk included Wendy's Garden, I've also attached two of my recent photos of the garden for a bit of colour. Thanks to Denis for the suggestion

URGENT PAKISTAN FLOOD APPEAL

Please help today

DONATE

Dear ROTARY

You may have seen the latest news from Pakistan, where flash floods have affected more than 30 million people, killing at least 1,000.

The sheer scale of the flooding is devastating. Tens of thousands of people have had to flee their homes, with this number expected to rise as the true scale of the destruction becomes clear.

Kitty Sadler, ShelterBox Emergency Co-ordinator, said:

"After weeks of flooding, the heavy rains are not letting up – homes are being washed away, people are losing their livelihoods, and in too many cases their lives.

"With our experience supporting flood-affected communities in Pakistan in 2010, and flood-hit areas across the world, we're looking to get an assessment team out there as soon as we can to see what we can do to help."

Please donate today to help ShelterBox provide lifesaving aid for families affected by disaster around the world.

Donate today to change lives

Many thanks for your support
