### President's Message:

Last week we had two meetings, one at The Union Hotel on Monday with Crows Nest Club and our regular Thursday meeting at Norths. The meeting at Norths was a Club Assembly to discuss our ongoing negotiations with the Crows Nest Club and to catch up on the Tree of Joy machinations for this year. Denis has contacted all the venues for the trees and he and his family have produced 770 tags and tied string to them and we hope we can distribute them this week and start the ball rolling.

Last Tuesday David Field and I met at Greenway with the President of the Greenway Tenants Association and were very impressed by the way it is run these days. We discussed the possibility of running a Christmas Function on the lawns in the complex in the form of a sausage sizzle and something Christmassy as a sweet and David has offered the services of The Tokens as entertainment. The function will be held on a week night at around 5pm when the sun is going down so that we don't expose too many old heads to the midday sun.

**Presidents Message continued...**

As at the time of going to press a date has not been confirmed between Greenway, The Tokens and our club, but will be confirmed by next week.

Our guest speaker this week is Rajendra Gautam who will be telling us about his Rotaract and Rotary activities in Nepal. He completed a Master's Degree in Social Work (MSW) from Tribhuvan University, Kathmandu. A young social activist, Gautam is a freelance writer and also the Past President of the Rotaract Club of Kathmandu, Rotary International District 3292 and currently serving as a Member of Rotary Club of Kathmandu, The first Rotary Club of Nepal. Apparently a very interested speaker and Rotarian. Any guests would be very welcome.

And, don't forget This coming Saturday is The Crows Nest Market. You are all welcome to come along and help wave the flag for Rotary North Sydney.

Kind Regards

Geoff Pritchard OAM
